

**4TH ANNUAL WORLD CONFERENCE
CHICAGO, ILLINOIS
MINUTES OF THE SEPTEMBER 16, 1990 CONVOCATION**

Chairperson: Marjie M., Novato, CA
Acting-Secretary: Chrys L., Chicago, IL

The meeting started at 9:04 a.m., opening with the Serenity Prayer. The Chair reminded everyone that only the registered GSR's and 11 General Service Board Trustee's have voting power and that the Board meeting follows the convocation at 12:30 p.m.

There are 47 registered and paid GSR's and 11 trustees eligible to vote.

Etain O., NY, mentioned that a book called "Bunch of Thoughts" was being passed around and that she would appreciate any additions be sent to her.

The convocation thanked Chicago for all the work put into the conference, thanked John H. for founding DA, and the GSR's for their efforts.

Ground rules for the meeting were announced: 1) the committee chairperson will report for each committee; 2) some items will be voted upon at this time; and 3) some discussion will be expected before items are voted on.

FELLOWSHIP COMMUNICATIONS:

Margee F., Chicago, Chairperson: 45 groups were added to the mailing list in the past year. This list enables DA to contact two-thirds of the groups "out there." Thanks goes to Tom C., Trustee, who has helped out.

The International and National network will continue to:

1. contact the 81 orphan groups
2. maintain and update the World Service Directory
3. add new contacts for new meetings

4. increase input for Ways & Means

The contest for the cover of the World Service Directory will continue; contest guidelines will be sent to GSRs. Group registration forms are available. Quarterly updates to the World Service Directory will also be available. Richard C. will continue as Acting-Editor of Ways & Means. This committee will request articles, paragraphs, information from the fellowship for upcoming issues of Ways & Means. Ways & Means will now be including a "Recovery Column."

2. We will work toward establishing recommended procedures to guide the creation of the Recovery Book.
3. We will be reporting regularly to the General Service Board about our progress.

CONFERENCE COMMITTEE:

Chairperson: Duncan G., Santa Rosa, CA. Duncan stripped -- to show us this year's World Conference T-shirt. Thank you Duncan. The following was reported to the convocation with some items being voted upon:

1. The consensus of the Conference Committee was to retain fellowship aspects of this weekend and to continue with the same length of conference.
2. Regions for the 1992 conference which have NOT had the conference were suggested: Atlanta, Boston, St. Louis, Dallas, and Florida. George D., Trustee, noted that at least 10 exceptional people were needed. Representatives of these areas expressed interest and various reasons for having or not having the conference in their areas. In accordance with "alternating conference sites," a "large recovery region" following a "small recovery region" logic is being applied from year to year.

San Francisco will hold the 1991 conference as voted upon at the 1989 Washington, D.C. conference.

It was moved and seconded that Dallas, Texas host the conference in 1992 AND PASSED (For: 37; Against: 10; Abstentions: 3).

It was moved and seconded that Boston, Massachusetts host the conference in 1993 AND PASSED (For: 53, Against: 0; Abstentions: 0).

3. The date of the 1991 World Conference in San Francisco is October 3, 4, 5, and 6.
4. The Northern California GSR area group will be the umbrella organization that hosts the conference with assistance from the Bay area intergroup. Note: keeping difference between Host Committee and Conference Planning Committee.
5. The purpose of the conference is set forth in the interim conference charter and it was discussed that more information about this be sent to newcomers through conference information packets and the ways and means.
6. During the discussion of how the Conference Committee will communicate during the year, it was discussed that this committee did not reflect national membership. Actions will be taken to get more national input. Jennifer volunteered to act as liaison, also using Ways & Means in this effort.
7. Planning next year's conference, groups will be receiving information six months in advance of the conference.
 - a. Possible themes for the 1991 conference: EDUCATION; THERE IS ENOUGH; DA's PRIMARY PURPOSE, DA - MARCHING TOWARDS PROSPERITY; NEWCOMERS; ACTION IS THE MAGIC WORD; AWARENESS; GROWING UP IN DA; and VISIONS.
 - b. It was decided in the Conference Committee meeting that

in the past the Board of Trustees have played a major part in the formulation of the agenda for the conference and this committee is moving towards taking a more active role in this work.

- c. The Conference Committee encourages individuals to submit World Conference agenda items and that an announcement to this effect will be printed in the Ways & Means.
 - d. The committee received a spending plan and report in regards to preparation of last year's conference in Washington, D.C. from Chris F., our thanks go to Chris F.

GENERAL SERVICE OFFICE

Chairperson: Maureen K., NY

It was announced that the GSO has moved from St. Ignatius Loyola Church to executive space at 420 Lexington Avenue, NYC. Although there is a new address, it was requested that DA members do NOT mail things to that address; continue to use the P.O. Box.

(MINUTES NOT AVAILABLE AT THE TIME OF THIS PRINTING)

FINANCE COMMITTEE:

Chairperson: Jerry P., Boston

The committee discussed composing a letter to be sent to GSR's about ideas for raising money for the General Service Office. Charles S., Chicago, will compose that letter for approval by the committee.

It was moved and seconded that: receipts for group contributions/donations be given provided there is a self-addressed stamped envelope enclosed, AND PASSED (For: 29; Against: 9; Abstentions: 15).

(SEE APPENDIX E FOR FINANCE COMMITTEE MINUTES AND ROSTER)

SERVICE COMMITTEE:

Chairperson: Doty M., Chicago

The Service Committee would like to establish a column in the Ways & Means to keep in contact with the fellowship.

A 12th Tool (Service) was presented to the convocation for a vote, which unfolded as follows:

It was moved and seconded that: "The basic purpose of our fellowship is to carry the message to compulsive debtors who still suffer. Carrying the message is the most fundamental form of service. When we perform service for the Group, Local Intergroup or at the General Service level, a sense of accomplishment and self-fulfillment emerges. We strengthen our faith in our own recovery."

The vote: For: 23 Against: 21 Abstentions: 8

Because of the close split a group conscience was taken as follows: In favor: 35 Not a firm conviction: 13

A spokesperson for each vote commented:

For: "Service IS a tool for recovery."

Against: "Not in agreement with the wording."

Abstention: "Break the motion into two segments, i.e.,
1) tool and 2) wording."

Another group conscience was taken: "Would your vote have been impacted if the tool and wording were separate?"

For: 29 Against: 20 Abstentions: 0

With that, Service as a tool has been referred back to the Service Committee.

(SEE APPENDIX F FOR SERVICE COMMITTEE MINUTES AND ROSTER)

MISCELLANEOUS BUSINESS ITEMS:

Should InterGroups be included in the Conference Committee structure? The Chair referred this to the Conference Committee and requested that they report to the conference next year.

The Service Committee would like to have their roster distributed to all the committees and...

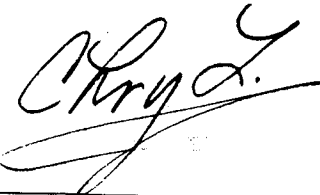

...a motion was made that: "the Service Committee would like to get a copy of all rosters so that information can be sent to the chairperson of each committee throughout the year," AND PASSED (For: 30*; Against: 11; Abstentions: 8. *NOTE: you may have your name omitted from these lists by telling Chrys L., Acting-Secretary, after today's meeting).

APPENDIX C

CONFERENCE COMMITTEE MEETING

1. The consensus of conference committee was to retain fellowship aspects of this W/E and to continue with the same length of conference.
2. 1992 conference location: Explore(d) regions in DA that have not had conferences. Possible choices include: Atlanta, Boston, St. Louis and Dallas. Florida was also mentioned. To determine if there is interest in these areas to host the conference, George noted that at least 10 exceptional people were needed.
3. Date of 1991 conference in San Francisco _____ 3,4,5,6 of October.
4. It was decided that the Northern California GSR area group be the umbrella organization that hosts the conference with assistance from the Bay Area Intergroup (the extent of which will be decided by that group).

We attempted to clarify the difference between the local host committee responsible for putting on the conference and the conference committee which sets policy in relationship to the conference.
5. The purpose of the conference is stated in the interim charter and it was discussed that more information about this be sent to newcomers through conference info packets and the Ways and Means.
6. During the discussion of how we will communicate during the year it was discussed that this committee did not reflect national membership; action was taken to contact other committees to get more national input. Jennifer volunteered to act as liaison also using Ways and Means in this effort.
7. Planning next year's conference: getting info to groups six months before conference.
 - a. Possible themes for 1991 conference: Education; There Is Enough; DA's Primary Purpose; DA -- Marching Towards Prosperity; Newcomers; Action is the Magic Word; Awareness; Growing Up In DA; and Visions.
 - b. There was a discussion that in the past the board of trustees has played a major part in the formulation of the agenda for the conference and this committee is moving towards taking a more active role in this work.
 - c. This committee encourages individuals to submit World

Conference agenda items. Announcements to this effect will be printed in the Ways and Means.

- d. This committee gratefully received a report and spending in regards to preparation of last year's conference in Washington from Chris F.

8. It was suggested that a structure for expression of individuals' feelings at this committee, incorporating a break for personal sharing during the business session.
 9. This committee affirms the need for sober time planning, seeking to limit and prioritize long agendas.

APPENDIX D

PUBLIC INFORMATION MEETING

Old Business Diana D. read the minutes of last year. Noted that minutes were really a synopsis. Accepted as read. Susan P. recapped Friday p.m. activities.

New Business: Agenda set for working session as follows --

1. History of DA PI in the past year
2. General Guidelines/Discussion of Sample Pieces
3. Attraction vs. Promotion
4. Who should respond to the Public on behalf of DA?
5. Public Information/Special coverage
6. Voting new chair
7. Intra-committee communications/calendar
8. Spending Plan
9. Report to Fellowship

Committee decided to discuss agenda items as a body.

1. History of Past Year: No meetings this past year. Diana has worked with members ad hoc. Diana's number is on the national hotline for media. She then finds someone who contact the report. She emphasized that DA must not give out numbers of members; also that the media demand sped and we don't need to get hooked into that. Diana works carefully with the DA board and committee to make sure DA is presented accurately. Two big TV items this year were a shoot with German TV and "48 Hours" with CBS.

She also let us know that the person whose anonymity was broken on "48 Hours" was not someone who was working with GSB. CBS had signed not to break any DA anonymity.

2. General Guidelines/Sample Pieces: The committee examined the work of the last two years, "Slow is the way to go", as well as, potential sample pieces for responding to PI requests.
3. Attraction vs. Promotion: Can DA be advertised? Alan reported that other 12-step programs advertise. Paula mentioned that it isn't within traditions to advertise. Chris stressed that Washington, D.C. worked to make sure of its infrastructure for handling new members, i.e., phone answering service, mail box, etc. Susan brought up the history of AA as a one-to-one slow growth so that level of recovery would match amount of newcomers. Alan asked if we couldn't raise the bottom by connecting to regions of more experienced DA folks for information and training.

Mary moved that we create an ad hoc subcommittee to study what local groups can do for attraction. Passed. The

subcommittee will consist of Jackie, Chris, Lynn, Paula, Tari. Mary will chair the committee.

4. Who should respond to the Public?: Diana stressed that newcomers should **not** speak to the press, but get press connected with more experienced folk. Discussion confirmed last year's suggestion that "Slow is the way to go."

Tari and Lynn talked about great difficulty in getting in touch with GSB for help, which lowers local trust in using New York for help.

Diana proposed that the guideline for spokespersons be no less than that for GSRs as laid out in the new pamphlet (one year of solvency, service experience and active membership in a home group). Passed unanimously.

Chris suggested that new groups receive the "Slow is the Way to Go" as part of their beginners packet.

Alan moved to accept the current guidelines (except for grammatical and typographical errata and today's revisions) for publication and mailing to all GSR's and Intergroups. David amended to include mailing to all groups where there was no known GSR or Intergroup. Passed.

Paula moved to create a PI Manual Subcommittee whose charge would be to continue reviewing and revising the guidelines. They are also responsible for getting current guidelines printed and distributed. Passed. Subcommittee members will be Paula, David, Diana and Pete.

5. Public Information: Special Coverage: Since any major media coverage will generate many inquiries and newcomers, local and national areas to be affected must be warned in advance (local must warn national of major press and vice versa).

Jackie moved to set up a phone tree for national information distribution, then it is each of our responsibility to contact our region. Jackie and Chris decided on order and distributed listing to committee.

6. New Chair: John will chair next year's meetings. Tari will chair teleconferences.

7. Intra-Committee Communications/Calendar: Agreed to meet via teleconference regularly. Mary moved to set up a Teleconference Communications Committee who is charged specifically and planning and executing these teleconferences.

Teleconference Chair: It is this person's job to set up teleconferencing (Rolm?), confer with subcommittee chairs, draw up agenda and send to secretary. Follow up.

Teleconference Secretary: Reminders for meetings, including agenda and attachments. Minutes mailed afterward.

Tari will chair and Alan will be secretary.

There will be five teleconferences on the second Sunday of the month; dates as follows:

November 9, 1990; January 12, 1991; March 12, 1991; May 12, 1991; and July 14, 1991

All meetings will take place at: 7 p.m. Pacific Time; 9 p.m. Central Time; 10 p.m. Eastern Time

Regional Representatives for Teleconferencing are:

|---------------------|------------------------|
| Diana, Board/NYC | Mary, Chicago |
| Susan, New England | Tari, Texas |

| David, Southeastern | Robin, S. California |

9. Spending Plan: National Plan will be submitted now for approval. Local PI spending plans should be submitted at the November Teleconference.

| <u>Quantity</u> | <u>Item</u> | <u>@</u> | <u>TOTAL</u> |

MPU: If a group sends a request for receipt and a SASE, the General Service office will return to that group a receipt.

(Note: it is our understanding that a receipt and acknowledgement is always sent in the case of a personal contribution.)

MD: (3/3/2) Recommends that the board publish a concise summary of actions taken at each board meeting to all GSRs in a timely fashion. (It seems to us that Ways & Means is an appropriate place, but we leave this up to the board.)

There was a discussion of ways to produce a letter to be sent to each group explaining the need for funding GSB. It was decided that one member of the group would work on a letter describing:

1. What the GSO does
2. What the office does
3. What it costs
4. Ways groups can support the board

Charles S., Chicago, volunteered to draft that letter for approval by the committee.

Finally, Sharon C., Chicago, was elected to be the Finance Committee chair for the next year.

Cheers & Joy,

Jerry P., Boston
