A. FCC published new World Service Directory. 300 groups listed with 100 contact people.

3. Primary goal is to register all DA meetings throughout world.
   a. 1989 – 70 known groups, 1990 – 240, beginning of Conference 286 & by the work of people on committee here at Conference, there are now well over 300 known groups.
   b. Problem – only 2/3 have either a GSR or contact registered, those that do not are called "orphan groups."

Looked at OA Brown Book which has professional writing, short area on program content, & collection of recovery stories. Decision made to do collection.
1. Tons of tapes already in existence, some already transcribed. Problem when talking about a "Big Book" some have ego stake with having their story in book. Decided to use stories already available. Some parts of country taping stories & using.

VI. **Conference Committee: Duncan G., Santa Rosa, CA – Chair**

A. **How interactive does Conference Committee want to be with concerns GSR’s bring to Conference?**
   1. Process should be within this committee.
   2. Send "My Issues" form to GSR's through Ways & Means if possible by March 1st, return to GSO by May 31st.
   3. This year lack of information as to who Conference Committees Chairs were going to be. If known earlier, could have been integrated into that committee agenda.
   4. Proposed agenda items should be sent to GSR’s so they can be instructed with their groups conscience & have their group’s feedback on issues brought up at Conference.
B. Will next years Conference have a Fellowship Day?

   b. Marily M., Southern California – for better flow of communication between GSR’s & Intergroup.

3. Susan P., Boston – shares Boston’s experience -
   a. No GSR from Boston going to Conference due to individual groups not having enough money.
   b. Asked Intergroup if they could be resource through which all area groups could pool resources & send at least one person.
   c. Intergroup Reps sent back to groups asking if they would donate their GSR funds & name of their GSR. They agreed.
   d. Intergroup elected to donate sum of money equal to pooled money to fully fund one GSR & any leftover would go to fund another person.
   e. Thus Intergroup & GSR’s worked together with Intergroup being main vehicle.
4. Proposal will be distributed to all GSR’s during year for input.
5. Comments from Convocation Membership:

b. Marjie M. – Goes to Conference Committee because it has 2 functions
   1. Organizes Conference itself (the event).
   2. Looks at DA structure i.e. - Interim Conference Charter. Anticipate that these are flexible & can change with growth of fellowship as it has in other fellowships. As gets larger may get too cumbersome to have one meeting one vote & may need to go to different system. Not the case yet.

c. Fred F. – Charter states members are area delegates which leaves open, states clearly groups give us our directions, not Intergroups.

d. Duncan G. – each group autonomous; each group, Intergroup, & each GSR Area Board will be looking at this issue & we will get feedback from them to handle at group conscience level.

e. Marilyn M. – Not a local issue, not about problems in Southern California. Came from looking at models in other programs.

F. Conference Interim Charter
   2. Up for ratification next year.
   3. If ratified can be amended at any subsequent Conference with exception of #10 General Warranties of Conference.

G. Items Tabled
   2. Absentee voting
   3. Is it Open Conference?
      a. GSR’s and Trustees vote – want to inform membership that this is Open Conference. All members invited to come if interested in business but cannot vote.
   4. All Conference Members use full names.

   2. Consensus in Dallas that they are not ready to take on responsibility, do not have enough experience, & did not have enough information of what would be expected of them.
3. Conference Committee has worked on Conference structure & had not grown far enough to put out guidelines, requirements or any kind of information. Now aware of need & doing that.

4. Boston had been interested in hosting 1992, their Intergroup contacted confirming yes they would host.

5. Dallas interested in hosting following year.

FINANCE COMMITTEE MINUTES

Old Business

A.  9/19/91
   1. Sharon – gave an update of what last year’s Finance Committee did. It consisted of four members from Chicago who researched what Finance Committees in the past had done. A booklet was compiled, giving the history and providing an archive as a basis for future Finance Committees.
   2. Alex – clarified that the Committee is an "action" body, open-ended and visionary.
   3. Sharon – read a letter created last year (1990) by the Finance Committee to GSBs. It included a list of different ways groups could generate money for the fellowship (e.g. events, functions, etc.)
   4. Alex – stated that the maximum allowable contribution to DA is $500 per individual. One thing that came out of last year’s Committee – that’s been incorporated – is the "thank you" card sent to every group and individual who contributes to the GSO. A few years ago the Service Committee determined that we don’t do fund raising in DA. You can’t put pressure on people to give money here. The greatest principle we have to rely on is communication.
   5. Alan S. – probably only 15% of the groups send any contributions to the Fellowship. We have to educate people about responsibility.
   6. Judy – asked for groups to share their experience, strength, and hope on profitable "fundraising" ideas.
   7. Alex – shows AA pamphlet “Supporting the AA Support System” and an AA pamphlet from England. He would like to see the Finance Committee put out a similar product.
   8. John B. – What is the Fellowship’s spending plan?
   9. Alex – suggests taking a look at the statement of revenue and expenses.
   10. John B. – What about targeting groups that give nothing? Maybe we could regionalize this?

B.  09/20/91
   1. Alex – I would hope that the Finance Committee will adopt responsibility to increase contributions to the Fellowship (e.g. come up with ideas, develop resources and put them into action - like getting a pamphlet printed).
   2. Claire – proposes a pamphlet as a tool and objective for raising contributions.
   3. John – Has anyone figured out what the fixed cost is for keeping groups informed?
   4. Alex – We’re not doing cost accounting.
   5. Nancy – It is against tradition to have a professional evaluate ideas that work in other 12-Step fellowships.
   6. Alex – The average contribution per group is $24.
We set an agenda for the balance of our time:

i. Increasing contributions.
ii. Education – pamphlet on self-support.
iii. Vehicles for generating and communicating "fundraising" ideas to GSRs and the Fellowship.
iv. Operations, including electing officers (Chair, Treasurer, Secretary); structure and work of the Committee in 91-92; developing the Committee’s spending plan.

Increasing Contributions/Vehicles to increase contributions

1. Elaine
   a. Proposed giving the list of ideas in last year’s letter (see A.3) to the Fellowship Communications Committee for inclusion in the Ways & Means. Passed.
   b. Proposed a treasurer’s statement to be disseminated to all GSRs; [delegated to Sub-committee to draft]. The statement outlines the notion of self-support and expenses to be met.

2. Margaret – suggested that GSRs suggest to their groups that the groups pay for their GSRs Ways & Means subscriptions and that a subcommittee be set-up to create specific language to implement this idea. Passed.

3. Judy – suggested we put out at the Conference during our report that anyone who has conducted a profitable event contact a Committee Member after the report. Passed.

4. Margaret – suggested to GSRs that they read the Ways & Means during the meetings and that we communicate this to GSRs. Passed.

We passed the basket among ourselves and collected $12.50. $6.90 to reimburse Clair for copying costs and $5.60 to be donated to the GSO.

John – moved that we pass the basket during our Finance Committee report. Passed.

Alex – suggested that we have a dialogue with Intergroups regarding Intergroup spending plans and GSO. Tabled.

John – proposed developing a "self-supporting through our own contributions" pamphlet in a subcommittee. Passed.

Elections: – It was decided to have one CA Co-Chair and one NY Co-Chair. Clair (NY) and Mark (CA) were elected Co-Chairs.

Nancy (CA) was elected Treasurer.

No Secretary was elected. No one was available.
The following Subcommittees were formed:

1. **Educational**
   b. Communicating to Groups and GSRs.

2. **Increasing Contributions**

A Subcommittee met and drafted a statement to be read as part of this Finance Committee’s report on Sunday (09/23/91) and disseminated through the Ways & Means.

"Through listening to group experience, we have learned there is a diversity in the 7th Tradition statements.

The Finance Committee recommends the following suggested statement for the secretary or treasurer to announce at the 7th tradition break.

We believe this will give greater clarity and enhance 7th Tradition contributions."

"DA has no dues or fees. We are self-supporting through our own contributions, so we pass the basket. Please give as generously as you can. However, if you cannot, please keep coming back. Please keep in mind that our group’s monthly expenses are $____* and, additionally, we are responsible for supporting the Fellowship as a whole.**

*You may wish to add here an itemized list of the group’s monthly expenses, e.g. Rent - $____, Prudent Reserve - $____ (one month’s rent), contribution to GSR’s Spending Plan, etc.

**You may wish to add here, the suggested distribution of funds, collected over the group’s monthly expenses (i.e. contributions available after our group’s needs are met and distributed as follows: 45%→GSO, 45%→Intergroup, 10%→area GSRs).

Notes:

(1) The 1991 annualized year-to-date figures were calculated by dividing the January 1 to August 31 actual totals by 8 and multiply the result by 12 unless more accurate figures were achieved by adding the January 1 to August 31 actual totals and projections for the period September 1 to December 31.

(2) The Statement of Revenues and Expenses presents the cash flow of the General Service Board in the year in question. It excludes assets (i.e. cash in banks and literature inventory) and liabilities (i.e. accounts payable and payroll taxes).
