COMMITTEE AND CAUCUS REPORTS, AND OTHER BUSINESS

1. RESOURCE DEVELOPMENT COMMITTEE (RDC) REPORT

The Chairperson of the Resource Development Committee (RDC), Bill B. presented the RDC report. There were no motions.

RDC Recommendations

1. That the General Service Board establish a separate, autonomous, fund to manage bequests from the estates or trusts of deceased members.

2. That the GSB InfoTech Subcommittee allocate a prime right-hand block of space on the DA home page for 7th Tradition awareness information from the Resource Development Committee.

3. That information about on-line bill paying or bank-site automatic withdrawals to DA be made available to interested members. The RDC requests that this information be added to the list of “Frequently Asked Questions” provided to the staff at the General Service Office, as well as be added to the 7th Tradition page on the website.

4. That the GSB approve sending the following five letters with the quarterly DA Focus mailings. The RDC will prepare articles for the DA Focus related to the mailings. The RDC will explore resources to translate the letters/mailings into Spanish. The mailings are:
   - John Henderson Memorial Scholarship Fund
   - Birthday or anniversary celebrations for DA groups and members
   - World Service Month
   - Seventh Promise Month
   - Seventh Tradition Month

5. That the Resource Development Committee continue to develop the Treasurer Service Manual that was begun last year. The goal is to complete this project by the 2007 WSC.

6. That the General Service Board approve an “Events Service Resource” created by the RDC that is similar to Item GSB-3 “Conference Approved Literature” that includes:
   a. Suggestions on how to have a successful fundraising event such as a step-study workshop, visions workshop, silent auction, or Fellowship Day.
   b. Methods to reach out to newcomers, create fellowship and strengthen membership.

7. That the GSB approve a worldwide fundraising event to celebrate DA recovery around the
world. The Resource Development Committee will present an event plan to the GSB for approval.

2. PUBLIC INFORMATION (PI) COMMITTEE REPORT

The Chairperson of the Public Information (PI) Committee, Peter K., gave the PI Committee report. The PI Committee had no motions or recommendations.

The Public Information Committee will not be submitting any motions to the Convocation at this World Service Conference. The Public Information Committee will not be submitting any recommendations to the General Service Board at this World Service Conference.

In keeping with the General Service Board’s request that we refocus all efforts of the Conference on our primary purpose, carrying the message of DA, not incurring unsecured debt, one day at a time, the Public Information Committee undertook the following actions:

- Developed a list of suggestions for reaching out to and supporting Debtors in isolated meetings/areas. Some of these suggestions follow:
  - Encourage the use of online and telephone meetings where strong face to face meetings are not available
  - Encourage strong meetings to function as “sister meetings” to offer support to new or struggling meetings and develop suggestions for such a relationship
  - Define the needs of small or weak meetings and develop specific responses to these needs
  - Increase awareness of available literature
  - Connect people with human (adopt-a-loner) resources
  - Support existing meetings in their outreach efforts through the use of the Carry the Message network
  - Encourage the use of Meeting Inventories
  - Suggest that struggling meetings consider possible changes in their meeting formats (in most cases a return to the tried and true formats discussed in the DA literature)

- Encourage use of the DA pamphlets as topics of discussion
- Encourage members of established groups to speak at isolated or struggling meetings
- In areas where it is not practical for an outside speaker to visit a meeting in person suggest the use of a speaker phone to bring the speaker’s strength, hope and wisdom to the meeting
- Consider teleconferencing a meeting to a remote meeting
- Utilize tapes and CDs at remote meetings
- Establish contact with strong meetings
- These ideas and suggestions will be worked into a pamphlet which, once it has gone through the literature process will be available to the fellowship.

- We developed a draft of a media contact questionnaire and an accompanying cover letter. These drafts were submitted for General Service Board approval during the Service Conference. The GSB recommended changes in content and procedure which the Public Information Committee will implement. The concerns of the Board will be addressed and the documents amended and resubmitted for approval.

- Developed an Action Plan for carrying on the work of the Public Information Committee throughout the upcoming year. These actions include:
  - Continuing the work of the Carry the Message Network during monthly conference calls scheduled on the last Sunday night of each month. Currently there are approximately fifty Public Information Representatives across the US and Canada. Our goal is to recruit another fifty by the next World Service Conference.
  - Continue to develop and expand upon ways to expedite and facilitate our contacts with all forms of media.
  - Continue to support the work of the new Diversity Subcommittee.
  - Develop literature addressing the issue of how to speak to non-debtors and communicate with professionals.
The above Action Plan will be accomplished during the course of monthly conference calls scheduled for the third Monday of each month, email correspondence and a Public Information Committee Yahoo group.

SECTION 2
REPORT FROM THE CHAIR

August 2006

This is the Annual Report of the General Service Board of Debtors Anonymous. The General Service Board of Debtors Anonymous is made up of debtors and non-debtors who desire to serve the DA fellowship in the capacity of world service. Having demonstrated ability and enthusiasm for DA service, they have been carefully recommended to the G.S.B. by their peers. After being elected unanimously by the existing G.S.B. and ratified by the Conference, these individuals are called upon by the fellowship to be “trustees” and are entrusted by the World Service Conference and the fellowship at large with the stewardship of Debtors Anonymous, the Twelve Steps, the Twelve Traditions, and the Twelve Concepts of service. The General Service Board handles all legal and fiduciary responsibilities required of non-profit corporations by law, handles all financial, administrative, business and policy affairs; supervises the General Service Office; and as the chief service arm of the Conference, administers and carries out the needs of the Fellowship.

The General Service Board included nine Class A debtor trustees and three Class B non-debtor trustees. The Class A trustees were Aishlin O., Alan C., Carla J., Carol B., Carolyn H., Deborah C., Jan J., Jan S., and Willie W. Our Class B trustees were Cookie S., Hugh F., and Paul S. The officers were Carla J., chairperson, Carol B., vice-chairperson, Paul S., secretary, and Carolyn H., treasurer. Cookie S. filled the role of Class B trustee on the executive committee, Hugh F. and Willie W. served as assistant Treasurer, Deborah C. served as Office Liaison and Willie served as Host Committee Liaison.

This is our annual report to the Conference and the Fellowship of our activities for the prior twelve months. We have included a revised tracking document of issues from last year’s Open Forum triage and Convocation 2005’s recommendations and motions (originally published in the DA Forum). The Committee reports and these documents will give you the overview of issues and tasks faced by the General Service Board, the General Service Office and DA as a whole and our efforts to deal with them.

Far and above any other issue that faces the DA Fellowship today is our need for strong clarity around our primary purpose. We come together for one reason; because we are compulsive debtors and the only way we can not debt, one day at a time, is by helping another debtor practice the Twelve Steps. Any other focus waters down our message. Frankly, we are afraid for DA. It seems like members around the world want to focus on anything other than not debting. When we are willing to do anything not to debt, our under earning and compulsive spending habits are removed. Visions, prosperity, and abundance are all wonderful side benefits of not debting, but they not our primary focus. Clutter is an outside issue with its own Twelve Step program and does not have a place in DA. Procrastination, called “time-debting” by some members, is a character defect and is not part of how we define compulsive debting. Our focus must return to our primary purpose, helping other debtors by doing service. We believe it is crucial that this Conference refocus every aspect of DA back on our primary purpose. When we leave here we must be united on one simple message, “Don’t debt.” We believe if we can do that, the fellowship of Debtors Anonymous will prosper and grow.

Many other issues come before the GSB from committees, intergroups, the GSO, the Fellowship, the media, and the Conference itself. To better complete the many tasks before us we made some organizational changes. In addition to our existing committees, we divided up our Communications committee this year into separate Public Information, Info Tech, and Ways and Means committees. We also created a new Policy and Delegate Support committee to work directly on issues related to the Conference. And we created two new ad hoc committees, Archives and WSC Location committees. Reports from each will follow.

This year we held our annual Face-to-Face meeting in Houston, TX. From April 20–23, we met in Houston and completed a vast amount of work. We
were able, for the first time, to work together with the Literature Services Board in person by including them at our Face-to-Face. We also had the opportunity to attend a local DA meeting and have dinner with some of the members of the Fellowship in Houston. This annual opportunity to see and hear what different local areas of the Fellowship are dealing with is one of the best ways the GSB can learn what is working and what is not for local groups.

The DA Focus, the service newsletter of the DA was published three times since the last Conference. The DA Focus is mailed to every registered DA Group and posted on the DA web site. In each, we included an update on the work of the GSB committees, the Conference committees, and the General Service Office. Each issue also contains updated financial information and new announcements for the Fellowship.

Of course, the GSB works closely with the Conference committees throughout the year. Committee chairs worked with their liaisons to bring to the GSB and the GSO recommendations, mailings, and other proposals. This year we worked together with Internal Operations to complete the mailing and a motion for this Conference on re-registering groups; with Public Information on fielding media requests; with Resource Development on the mailings for World Service Month—our most successful one ever; with FCC on a Frequently Asked Questions for the web site; with Hospitals, Institutions and Prisons on a letter asking for related stories from the Fellowship; with the Tech Caucus on a host of Internet and Technology items; and with the Conference Committee on a WSC Site proposal, their Liaison Process, an Open Forum Reporting process, the current motion to amend the Charter, the issue of GSRs who do not participate in the work of the Conference by not joining a committee, and to accept the Conference Committee’s recommendation to act in accordance with a spiritual moratorium of any action regarding changes to Article 3 of the Debtors Anonymous Charter for two years, beginning immediately after the 2005 Conference and to continue through the end of the 2007 Conference.

To better facilitate the work of the committees at this year’s Conference, we have asked the Fellowship that all agenda items for this Conference be submitted beforehand. On your registration forms, you saw that we asked that all Issues for the Conference be submitted three weeks prior to the WSC. Issues submitted to the Host Com will be available for the committees at the beginning of their sessions to better allow them to begin work in a timely manner. We will no longer generate a list of agenda items at the Open Forum. The Open Forum will continue to act as a forum for the GSRs and ISRs, but it will no longer drive the creation of the committees’ agendas.

The General Service Board and I as chairperson, need to make an amend to this and the 2005 WSC. Each year we are charged with creating the Conference report including the GSB Reports, the Committee and Caucus Reports, and the minutes of Convocation. Last year’s report included many errors, which we did not catch in proofreading the report. We apologize for publishing a report with so many mistakes. In particular, we apologize to the Public Information Committee, the Hospitals, Institutions, and Prisons Committee and the Tech Caucus whose reports were published from 2004. The 2005 WSC Report will need to be amended before approval at this year’s Convocation.

The GSB will be submitting to you at Convocation motions to amend Concepts 5 and 6 to better define how the we work together at the world service level. These amendments seek to clarify language to keep the spirit of each of these concepts. You will find copies of these motions in your packets. Please review them over the upcoming days.

You will also find a set of surveys to fill out. The WSC is a unique opportunity to gather information from 100 or so delegates about the Fellowship’s beliefs about our primary purpose, use of conference-approved literature, the General Service Office, and how well our service structure is working. Please fill these out and return them to the registration desk before the WSC is over on Sunday. From your answers we hope to develop a qualitative picture of your perceptions of the DA Fellowship.

The upcoming year will be one of transition for the GSB. After this Conference four trustees will be rotating off and five new trustees will join the GSB. Cookie and Hugh, both Class B trustees, and Carolyn and Carla, class A trustees will rotate off. We leave the General Service Board trusting that
the spirit of rotation will bring a diversity of new ideas and new perspectives to the board. As such, you will be confirming five new trustees at Convocation. Rotation of service at the world service level is crucial to the healthy growth of our Fellowship and our service structure. We take rotation seriously because it our most powerful example of practicing principles above personalities. Otherwise we risk falling into the trap of imagining ourselves to be experts on DA and of holding on to our own pet agendas and not following the will of the higher power as revealed through the Conference group conscience. In another of those recovery ironies, only by rotating out of our world service assignments when they end, can we truly support unity at the world level.

You need to know that DA is graced to have had such committed, talented, hard-working and spiritually-grounded people serving you as trustees. We are a small group, still young enough to be faced with many growing pains and sometimes it feels like the pace of progress is glacial. Yet, when we come together on our conference calls or meet face to face, when we immerse ourselves in the Concepts, when we accomplish some administrative milestone, when we wrestle with the best possible language for our materials, when we respond to cries for help from debtors who still suffer, it makes the thousands of emails and hundreds of hours worthwhile. As I rotate off after six years of service on the GSB, I can promise you that I have never been prouder to participate in something, as I have to have been able to serve this Fellowship as your trustee and as your chair.

The growth of the DA Fellowship is crucial to our society and to us as individual debtors. People need to see and believe that we can live without debting. This is our message of hope and we are the only ones who can share it because we have admitted that we are powerless over debt. What we do here at this Conference will reaffirm our individual recovery by ensuring that the DA Fellowship will continue carry our message of hope to the debtor who still suffers. Thank you for your service and for the opportunity to serve DA.

GENERAL SERVICE BOARD COMMITTEE REPORTS

Archives Ad Hoc Committee Report

About one hundred years ago, the philosopher George Santayana wrote, “Those who cannot remember the past are condemned to repeat it.” Taking this warning to heart, the General Service Board created the Archives Committee within the past year. The Board realized that, by the time of DA’s 30th Anniversary, it had become necessary to start taking steps to preserve our past for those to come in the future.

The need was clear. For example, DA had records of the names of very few of our selfless servants prior to 1997. Their experience, strength and hope was about to be lost. Another example: minutes of the Board and its Committees for many years could not be found. Indeed, the status of records of our earliest World Service Conferences is still uncertain. A final example: those records which still survived were stored in cardboard cartons on shelves in our General Service Office, subject to the exposure of dust, cold and heat.

The Archives Committee decided that a two-pronged approach should be taken. First, to ensure that no additional records were lost, the Committee recommended to the Board that digital storage of our existing records be undertaken. The Board accepted this recommendation, and with the help of our Chair Carla J., has begun the process of transferring our computerized records to an on-line storage site, My Docs on Line. At a cost of approximately $375 per year, this will eventually provide safe and convenient storage of all of our current and future documents and records.

Second, the Committee turned to the matter of preservation and acquisition of further historical materials. The Archives Committee recommended, and the Board approved—effective this fiscal year—the use of public climate-controlled storage to protect those documents already in our possession, at a cost of approximately $750. Once this is done, the Committee hopes to turn to the business of indexing, collating and preserving these records. The Chair of the Board has written to past Trustees, seeking information on our earlier trusted servants, and soliciting originals and copies of historical materials in their possession.

Much remains to be done, and can be done only with the help of volunteers. For purposes of indexing and preserving our existing records, we will need the help of those DA’s who live in the Boston area, where our records will be stored. This includes the process of filing documents in acid free folders and the physical preservation of our more fragile items.

But beyond this, there is much room for assistance. The Archives Committee hopes to begin a collection of tapes of those who were important to our early years, and those whose memories will help cast light on our history. Any member of DA can participate in this project. We also hope to begin the process of collecting additional documentary materials. Those of you who possess early meeting lists, intergroup information, group records, flyers and literature can donate originals or copies to the General Service Office. We need help in creating lists of documents that are preserved in local or intergroup archives and in obtaining the materials necessary to assist in preservation. Eventually, we will need help in interpreting and explaining the history these records evidence.

We hope that a network of volunteers will develop, dedicated to the principle of protection and preservation of our history, so that those who come later will have a clear understanding of what went before. With such a network we can be confident that our archives will provide a clear insight into our past and a beacon for our future.

Finance Committee and Treasurer’s Report

COMMITTEE MEMBERS:
Carolyn H., Treasurer & Committee Chair
Hugh F., Assistant Treasurer
Carla J., Secretary, and
other members, Willie W. and Carol B.
This report is for the fiscal year of Debtors Anonymous, July 1, 2005 ending June 30, 2006.

The Finance Committee prepares and presents the annual Spending Plan to the GSB for approval. The Spending Plan for fiscal year 2006-2007 has been, for the third consecutive year, completed and approved by the GSB at the first Board meeting of the year, which was July 9, 2006.

The Finance Committee meets monthly to review the financial reports prepared by the treasurer to be presented to the GSB for approval and is prepared to make recommendations to assist the Board in making prudent spending decisions. In addition to preparing the year’s Spending Plan, an important function of the committee is the 6-month review of the plan, making revisions when needed and presenting the revised plan to the Board for approval.

The Finance Committee is pleased to report the following accomplishments for the year:

- Fiscal year 2005-2006 has ended with a net income for the 4th consecutive year.
- Quarterly financial reporting to the fellowship was published in the DA Focus.
- Contributions income exceeded literature income by $3,502. This may be a first time, and is the first time per available past records. Although the World Service Month did not reach its goal of $30,000, WSM contributions of $10,508 did exceed the Spending Plan by $7,000. One individual’s unanticipated single contribution of $5,000 resulted in individual contributions exceeding plan by $5,724. Single individual contributions of $500 and more totaled $10,250.
- Income exceeding the Spending Plan made it possible for the Board to approve the expenditure and adjust the Spending Plan to send three Appointed Committee Members (ACMs) of the GSB Literature Publications Committee and Literature Services Board to the board’s April Face-to-Face meeting in Houston - two ACMs joined the board and the third, unable to attend, contributed remotely via teleconferencing.
- Total Assets increased from year-end 2005 by $21,662 and the total of all Equity accounts increased by $23,250. The GSB approved increasing the Prudent Reserve to $35,000 and the reserve established for a future move of the office was increased to $15,000. The long-term goal for the Prudent Reserve is one year’s expenses. We are about one-third of the way to this goal. Equity accounts, reserves and this and prior year’s net income, make future projects possible.
- The cost of reprinting and shipping literature increased. Two reprinting cost increases during the year and a postal increase resulted in a GSB decision to increase the prices of most literature and the shipping and handling prices. The total cost of printing the new “The Numbers: One Approach” and reprinting of existing literature was $23,058 for the year. It is still the long-term goal of the Finance Committee and the GSB to reduce literature prices. In order to do this, the fellowship must continue to increase individual and group contributions.
- Because of the cost increase to print literature, the Finance Committee recommended for GSB approval a revision to the funding of the literature reserve, the fund set up by the GSB to be used for the reprinting of existing literature and new pamphlets. The recommendation, approved by the GSB, increased the funding from 25% of all literature sales to 35% of all Currency of Hope sales and 30% of pamphlet sales.
- Currency of Hope sales to Amazon and Hazelden for the year totaled $4,662.64
- The GSB approved the purchase of a much needed new computer for the GSO.
- Funding of the John Henderson Scholarship was approved by the GSB: In the spirit of John Henderson and his personal contributions to DA, all profits and contributions from Fellowship Day, beginning with the 2007 WSC, will be designated as donations to the John Henderson Scholarship Fund. This funding will be in addition to the existing request for voluntary scholarship contributions on the WSC registration form and scholarship contributions mailed to the GSO.
- WSC Committee Spending Plan: The GSB approved a $1,000 increase – a $6,000 total for 2006-2007. The $6,000 will be allocated - $250 each to the 8 committees and 2 caucuses for a total of $2,500. This will ensure every committee and caucus at least one mailing to the fellowship without regard to the number of committee members or that you are a caucus. Using it for a mailing, however, is not its
restricted use, just a recommendation. Under the old plan, caucuses received no funding and had to solicit a committee to expense a mailing or project. The $3,500 balance will be allocated to the eight committees based on a per capita distribution using the formula of the committee’s percentage of the registered GSR/ISRs times the number of people on each respective committee. For example, if there are 110 people registered and the committee has 12 people, the committee would have 10.9% of the $3,500, or $381.50 plus $250 for a total of $631.50 for the year. The GSB recommends communication between committee chairs to “share the wealth.” When a committee determines it will not use all of its funds, and when a committee wants to do a project and needs additional funds, there needs to be a means of communicating this to the GSB Treasurer. Funds allocated to committees go unused every year by many of the committees. Other committees stop projects due to insufficient funding. Committee helping committee is the way all committees can support the work for the benefit of all of DA

- The final responsibility of the Finance Committee for the year ending 2005-2006 is, at this conference, to ensure a smooth transition of the financial duties and responsibilities to the new treasurer and the 2006-2007 Finance Committee.

Respectfully submitted,
Carolyn H., GSB Treasurer

InfoTech Committee

The Information Technology Committee of the GSB oversees technology strategy, the DA web site, email list, and other related items. Members are Carla, Carol, Deborah and Alan. We have worked closely with the Tech Caucus this year and have valued their expertise and help.

The DA web site is one of our most important resources for communicating with the Fellowship, the public and for attracting new members. In the past eight months there were over 169,000 visitors to our site who viewed its pages more than 470,000 times. The site received over 1.2 million hits during since January. As important as we all recognize the web site to be, building and maintaining a useful, helpful, up-to-date web site for DA has been a challenge for the GSB.

This year we took the following actions to try to improve the debtorsanonymous.org site:

1. Alan took over as interim webmaster for the site. Howard was our previous web master, but the growing needs of the site spurred us to migrate this function to Alan who has expertise in web site development and maintenance.

2. We abandoned our original plan to transition the DA meeting database into Access. Instead we accepted and approved a proposal from the Tech Caucus to implement a MySQL database that will allow us to both manage our meeting list as well as add a searchable meeting list feature to our web site. The work has begun and we will present to you a working demo of the searchable meeting list. We anticipate the full launch of this feature shortly after this Conference.

3. We created and implemented some guidelines for posting new items on the web site. For instance, now all appropriate items approved by the GSB for distribution to the Fellowship will also be automatically posted on the web site.

4. We started the process for a full-overhaul of the web site by asking the Tech Caucus to give us their critique of the current site and recommendations for changes, new features, and other usability issues.

5. In addition to the Tech Caucus’ recommendations, we have also laid out a plan to create two new positions to maintain the site, a Web Hosting Master and a Web Content Manager. The Tech Caucus is currently helping us draft job descriptions for these roles, so we can have the best people possible in these important roles. Whether these are service or paid positions has not been determined.

6. Nine FAQs provided by the FCC were added to the web site. These are Frequently Asked Questions about DA that are answered with information pulled from DA literature.

7. We cleaned up the GSO e-mail addresses, creating a new email address for the DA e-mail list, communications@debtors-anonymous.org.

In addition to the work on the web site we also created and launched the first, official DA email list. This list serve will serve as our email link to anyone wishing to receive communications from the GSO. The DA Focus is now emailed to anyone who signs up for it. We will also be creating a GSR/ISR specific email list from the email addresses you supplied on your application forms (unless you opted out), so we may contact GSRs and ISRs directly.

We also approved creating and implementing a voicemail box system based on a proposal from the Tech Caucus. They recommended and we will be using GotVmail, an online voicemail system with 5 mailboxes. This service also comes with a 1-800 number so members may call the GSO toll-free. We anticipate setting this up after this Conference.

You can see that technology needs of DA are deep and we are extremely grateful to the Tech Caucus for their help this past year. The Info Tech committee is looking for qualified GSRs or ISRs who are interested is serving as Appointed Committee members to Info Tech and ask you to consider helping us.

Literature Publications Committee

The past year has been a busy one for Literature Publications, the committee which manages the creation and production of conference-approved literature. The members of Lit Pub are Cookie, Carol, Alan, Jan J, and Carla. Carla served as chair, Carol as secretary, Alan and Cookie as liaisons to the Literature Committee, and Cookie as liaison/chair to the Literature Services Board. The Literature Services Board is the sub-committee which manages the creation, writing and editing of literature. Its members are Pat B., Gail O., and Kelly L.

This year we published four pieces of conference-approved literature:
1. The revised Twelve Tools of DA we posted on the web site as a free download.
2. The revisions to the Telephone pamphlet were made to the first reprinting of that piece of literature.
3. Numbers: One Approach was published for the first time.
4. Corrections were made to the Anonymity flyer, which is now a free download on the web site.

Lit Pub also reassesses our body of literature based on demand from the Fellowship. Two steps we took this year were to lower the price of our poor selling audiocassette to $2.00 until inventory is gone and to eliminate the poorly utilized Meeting in a Box. Instead groups may now purchase a DVD of the video “How to Hold a DA Meeting.” We also posted the previously posted text of the “Sponsorship” pamphlet as a free download, until a revised pamphlet is available for publication.

Lit Pub is also responsible for translating literature into languages other than English. This year, for the first time, the DA Preamble, Twelve Steps of DA, and the Twelve Traditions of DA are available on the DA web site. This small, but vital step, was achieved with the help of a Spanish-speaking group who provided us with translations in Spanish. These translations were reviewed by a professional translator and then posted to the DA site. We look forward to expanding more of our offerings of literature into additional languages.

Literature Services Board

Perhaps the greatest change for Lit Pub was our experience working with the Literature Services Board (LSB) for its first full year. The LSB had phone meetings throughout the year as well as using email to edit, write and manage a large number of projects. In addition, we were grateful to be able to bring two of the three members to the Face-to-Face meeting in Houston this year. They came for two and a half days and were able to work together on current project and with the GSB for final approvals for the pieces coming to conference this year. Together we approved two pieces, which will come to this year’s Literature Committee for recommendation to the Conference to be approved: the content for “Just for This Day” and the “BDA Meeting Format.”

This year, the LSB worked on the following projects:
1. Edit, finalize and approve for conference approval the content for a Just for This Day bookmark
2. Edit, finalize and approve for conference approval the BDA Meeting Format.
3. Development of a Newcomer’s packet
4. Revisions to the “Debt Payment & Communicating with Creditors” pamphlet
5. Development of Business Debtors Anonymous Literature
6. Collaborating with writers to finalize the DA Glossary
7. Working with the gatherers of submissions to the “DA Daily Meditation Book”
8. Editing and additional development to the “How to Start an Intergroup” pamphlet
9. Collaborating with the GSB to create a recommendation for finishing the DA “12 & 12”

The LSB was extremely successful this year and their dedication to quality and clarity of message truly has served the Fellowship well. We thank them for their work and are grateful that they use their talent and expertise for DA. They are looking for other experienced writers and editors who have been GSRs to join them. The list of literature projects is growing and we need more people willing to serve in this capacity.

Together Lit Pub and the LSB have worked hard to try to develop and improve our conference-approve literature. We look forward to working with the
Literature Committee to envision, prioritize, and bring to the Conference additional literature for the Fellowship.

Respectfully submitted,
Carla J.

**Nominations Committee**

Greetings from the 2005-2006 Nominations Committee. The members of our committee were Paul Sherman, Hugh Freyer, Deborah Chin, and Willie E. Williams. We were so privileged to serve as your Nominations Committee this past year.

During this past year we concentrated on ways to improve the administration of the process. Here is a list of new things we implemented as a committee.

We created a series of letters for trustee candidates.

- A letter acknowledging that we received your resume and letter of recommendation.
- A letter to notify you that the GSB has approved your candidacy.
- A letter to notify you that the GSB could not come to an unanimous affirmative vote on your candidacy at this time.

During last year’s conference we ask each of the committees to submit names of prospective candidates. We contacted every name on that list that was submitted by you to inquire whether the persons listed were interested in going forward and making themselves available for GSB candidacy.

One of the things we do when we are selecting cities to hold our GSB Face-to-Face Meeting is to select a city in a Region where there are not a lot of DA meetings and carry the message. While in the city we also try to go to a local DA meeting there, make the GSB presence known there and really try to recruit from that area. We are always seeking a balanced representation from all areas on the Board. This year we had our Face-to-Face meeting in Houston, Texas and was successful in getting and approving a candidate from there, Chris Spofford.

In an effort to attract new Trustees we developed a list of ten reasons to become a Trustee.

They are listed as follows:

1. To give back what I’ve been given.
2. To help DA live, prosper, and grow.
3. To maintain my own recovery.
4. To demonstrate the power of service to transform lives.
5. To understand how our organization operates.
6. To learn how to apply the Steps, Traditions, and Concepts to our service work.
7. To gain humility.
8. To practice leadership skills in a spiritual context.
9. To work with trusted servants who are working a rigorous recovery program.
10. To remember always that I am part of DA, and DA is a part of me.

One of the other things we realized is that we did not have an established process to actions to take once a new trustee has been elected to the General Service Board so we established a “New Trustee Checklist”

After a new Trustee is approved by the GSB the following actions are needed:

1. Notification of approval  
   Nom Com Chair
2. Calling Card  
   Treasurer
3. Trustee Manual  
   GSB Chair
4. Minutes from past 3 calls  
   GSB Chair
5. Reimbursement and Requisition forms  
   GSB Chair
6. Name and Info on Roster  
   Secretary
7. Committee Assignments  
   GSB Chair
8. DA GSB Bylaws  
   GSB Chair
9. Establish when joining calls & Face-to-Face  
   Nom & GSB Chair
10. Service mentor/buddy  
    Nom Com Chair
11. The GSR Manual  
    GSB Chair
12. Copies of the past WSC reports  
    GSB Chair
13. Copies of the past financial report  
    GSB Chair

A new class B, non-debtor should also be provided with a complete set of literature, including the *Currency of Hope*.

This year was a true year of transition. We had the privilege of five Trustees coming forward but unfortunately we had four Trustees rotate off. We are privileged to have three Class A trustees come aboard this year. Janet Janz and Jan Slusmon came aboard at the Face-to-Face in Houston and Chris Spofford joined us here. We chose two Class B Trustees that joined us here with voice and no vote.
There are four Trustees rotating off the General Service Board at the end of this Conference and we want to thank them dearly for unheralded service to our fellowship. They are Carla J., Carolyn H., Cookie S., and Hugh F. Carla and Carolyn who are Class A Trustees have completed second terms and both Cookie and Hugh decided to rotate after their first terms ended.

We are proud to announce that we had our first two ACMs join us in Houston this year. While they were there, they were able to complete a couple of their literature projects to bring forth for GSB approval.

The GSB also approved its 2006-2007 slate of officers. They are as follows:

- Carol B. (Chair)
- Aishlin O. (Vice Chair)
- Paul S. (Secretary)
- Willie W. (Treasurer)
- Deborah C. (Asst. Treasurer)

At the Convocation you will be asked to ratify the candidacy of two returning Trustee candidates for a second term. They are Aishlin O. and Willie E. W.

You also will be asked to ratify the candidacy of five new Trustees. They are Class A Trustees Janet J., Jan S., and Chris S., and Class B Trustees Peggy R. and Mary Jane R.

We had some unfinished business that we forward on to this year’s committee.

- We have asked the committee to create a standard resume that each candidate can use.
- A sample recommendation letter.
- We also have two Trustee candidate resumes for them to review.

Remember, if you are interested in receiving information about “How to become an Appointed Committee Member or a member of the General Service Board” please have lunch with us on Friday.

Respectfully Yours
Willie E. Williams

Office Committee Report

Office Committee Members: Hugh F. (Chair), Deborah C. (Office Liaison), Carolyn H., Aishlin O., Paul S., and Jan S.

- In January 2006, Office Liaisons Deborah C. and Jan S. made the annual trip to visit the General Service Office.
- Helped the office staff rearrange a room the office to make it more efficient and disposed of unused furniture.
- Instituted holding regular staff meeting with the Office Liaison.
- Developed answers to frequently asked questions for our office part-time staffer, Lydia.
- The Office Manager received training in Excel.
- Lydia has attended a DA telephone meeting to better serve the DA Fellowship.
- The Finance Committee approved funds for the Office staff to buy plants to enhance the décor of the General Service Office.

Policy and Delegate Support Committee

In May of this year the GSB voted to create a new committee, which we have named Policy and Delegate Support (Members: Aishlin, Willie, Carol, and Hugh). The twofold mandate of this committee is to help streamline the World Service Conference process for new GSRs and facilitate the work of the Conference Committee by responding in a timely and orderly fashion to their suggestions.

Making the World Service Conference experience easier for the new GSRs is a work in progress. This year we had decided to have a service speaker to focus on the “how to” of our primary purpose. We have further discussed the feasibility of having a designated page at the web site for the new GSR. We are encouraging any of the new delegates to wait until the end of the conference and within the context of our present resources perhaps let us know what would have been more helpful for you.

The Board has historically been understaffed and while many of us serve on four and five
committees our sense was that a smaller venue would be more successful in dealing with this workload.

Hence we have submitted to the wisdom of the group conscience of the Conference Committee our response and suggestions on the following pieces:

1. The Proposal for Regional Selection of Trustees for the General Service Board of Debtors Anonymous.
2. The Role of the Board Liaison Document.
3. The GSR Accountability Solution.

We are all looking forward to a productive conference year.

**GSB Public Information Committee**

The 2005-2006 GSB Public Information Committee consisted of four members (Cookie, Willie, Paul, and Carol) who worked this past year to fulfill a multi-faceted mission. The purposes of the GSB PI Committee are to:

- Support the work of the World Service Conference Public Information Committee by helping the WSC PI Committee implement its motions and recommendations.
- Offer suggestions to the WSC PI Committee where appropriate.
- Work to increase and improve General Service Office outreach efforts to helping professionals and members of the media.
- Work with the Chair of the WSC PI Committee to field and fulfill media requests that come through the GSO.

**Public Information Manual Updated**

The 2005 World Service Conference approved the WSC PI Committee’s suggested revisions to the International Public Information Manual. The GSB PI Committee brought the revised document to the full General Service Board (GSB) for approval, and then posted the updated version on the DA Web site as a pdf file. It can be downloaded, viewed, and printed for use by DA Intergroups, groups and individuals. The updated version contains the new media release template, a sample spending plan, and several sample outreach letters in rtf format so groups can download and add their own contact information.

**Recent Media Interviews Given and Articles Published**

- March: Indianapolis Woman and St. Louis Woman magazines, Chicago Tribune
- May: The Columbus Dispatch, World News Tonight at ABC News
- June: Details Magazine
- July 8: numerous “Dear Abby”s including The Monterey County Herald, Duluth Superior, Arizona Daily Star, the Sun Herald, the Contra Costa Times, and Twin Cities Pioneer Press
- July 28: MSN Money
- August: Marketplace (NPR radio show)

**A Big One We Missed**

- June 11: The New York Times Sunday magazine

**Media Contact Position Goes Unfilled**

The GSB PI Committee continues the search for a DA member to serve as Media Contact (MC). The MC is expected to take over the task of fielding requests from the media, a job currently performed by the Chair of the WSC Public Information Committee. It is hoped that by establishing the Media Contact position, the PI Committee Chair would be more available to facilitate the work of the PI Committee. Announcements about the open position were published in the 2006 Winter and Spring issues of the DA Focus.

The GSB PI Committee asked the GSB Finance Committee to consider including funds in the 2007 spending plan to bring the Media Contact to the GSB Spring face-to-face meeting and at least a few days of the World Service Conference, where the MC can actively work with the GSB to formulate, discuss, and express public information policy, as well as meet with and recruit delegates from around the country who are willing to respond to requests for interviews.

**GSB Outreach Efforts**

A pending action item is the implementation of a plan to mail copies of the public outreach letter (page 12 of the updated Public Information Manual) to one-hundred major media outlets. The mailing campaign will take place when a person to serve as Media Contact is found.
Ways and Means Committee

The Ways and Means is our newsletter meeting in print, a forum for carrying the experience, strength and hope of the Debtors Anonymous members, groups and service entities to the debtor who still suffers. (Committee members: Aishlin, Cookie, and Deborah.)

2005 Accomplishments

This conference year has been an exciting one for all those involved as we successfully transitioned from a hard copy circulation of less than 200 to a free down loadable file format at the DA website. We have now increased our audience from a small section of the fellowship to any member or non-member with access to a computer. We are encouraging DA members to visit the web site, download copies of the Ways and Means and take them to a meeting or intergroup. We have also now filled the last of our paid hard copy subscription orders and will no longer mail the newsletter.

Action Plan
1. We are actively trying to encourage the fellowship to submit more articles to the Ways and Means.

2. To facilitate this we have asked the InfoTech Committee of the General Service Board to consider adding “Submit to Ways and Means” as a separate white box link on the homepage along with Register Your Meeting and Online Telephone Meetings. Or add an ability to submit articles right from the website (i.e., copy text into template on web and hit Send).

3. We would further like to have links for past issues as right now you can only view the current Ways and Means.

Production Team

The Ways and Means is produced quarterly by a paid editor with the help of members of the Fellowship Communication Committee and the Ways and Means Committee of the General Service Board. All articles are freely donated by DA members for the use of Debtors Anonymous.

The editor of the Ways and Means is Kieran K. from LA. He has had the position since Spring 2003. He is contracted through Fall 2006 and is now paid $325 per issue. The editor is responsible for soliciting content, editing submissions and coordinating the production of the newsletter. Graphic design and layout this year were the contribution of Frank W.

Challenges for the Ways & Means

Our ongoing challenge with the W&M is to collect enough articles to be able to meet our promised publication deadlines. This publication like any good meeting is dependent on the member sharing their journey of recovery. To this end we would like you the group conscience of DA to consider using this venue to carry the message to the debtor who still suffers.

Review of BDA Meeting Format Draft
Committee approves format.

Review of BDA – The Annual Business Plan Pamphlet Draft

General comments:
- Reads like business plan first, DA second. One recommendation to shift it around so that the primary focus is BDA.
- Others comment that it was plenty DA/BDA focused.
- Maybe use quotes as headers for each category to keep bringing the focus back to DA/BDA.
- When we start our business without planning, we learn in DA to apply principles – we are acting against our disease to use the tool to plan our business.

Page 1:
- Some people may not have experience in DA personal recovery, as they may have come right into BDA
- May not be appropriate for new business start-up. Maybe add a sentence about how it’s not a model for a start up plan – introductory comments issue.
- Concerns about not addressing whether or not the business is viable.
• Clarify that this is a BDA tool, not one for a bank or for starting up a business
• Clarify examples for “seek professional advice”.

Page 2:
• Revenue tied to personal spending plan.
• Add “what would business look like 12 months” not just 5 years.

Page 3:
• Use capital letters.
• Quote about “unique selling proposition”; quotes with things so that it’s a DA approach.
• Maybe something about asking our clients why they like to work with us.

Page 4:
• Mission statement – define further as a short phrase/sentence.
• Switch around client and strategy sections (?)
• Under “measurement” something surveying clients how they found out about us.

Page 6:
• Boldface S.W.O.T items.

Page 7:
• Leave year open (20_ _ )
• Discussion about making recordings available.

Page 8:
• Math incorrect: $600, not $400
• Numbers just based on historical sales? Need to be grounded in reality, yet allow for vision of growth.

Page 9:
• Change product to product/service.
  Restructure following sentences to incorporate service.
• Talk about allowing for slow periods.
• In numbers, allow for vacation/sick time and seasonal changes.

Page 10:
• 3rd paragraph, “Did the math and saw the results”
• How many non-billable hours? Allowances for travel time?

Page 11:
Page 12:
• Add product/service.

Page 13:
• Hold off on layout of categories until size/format is decided.
• Maybe add “other, other, other” lines.
• Maybe make structure vertical instead of horizontal

Page 14:
• #4 - Alternative wording: instead of “unique selling proposition”, “unique selling advantage”

End of discussion on BDA – The Annual Business Plan Pamphlet Draft

Leslie suggests recommendations that we make to Conference:
• Unity statement: BDA integral to DA
• Facilitate focus of BDA in all communications.

Willie calls to the Chair return to the agenda – let subcommittees discuss the details.
Misa makes the point that we communicate to the Conference that our primary focus is to help the debtor who suffers, therefore we are united with the DA focus.

Tim requests ideas for 20 Questions for Newcomers.

Julie’s idea: when we come back to session, each brainstorm 3 questions to give to sub-committee about Newcomers packet.

Reports from 2005 Committees
Re-Listing: Jeff G. - Subcommittee Chair
Approximately 500 registered groups, created motion that meetings resubmit information annually adopted model from Chicago Intergroup. Discussion regarding distinction between registered groups and meeting listing. Jeff read two motions as they were submitted to GSB for review. Jeff worked with Conference Committee who supports motion, as does GSB.

Presented draft template that was provided to the GSB/Office Committee, who will make final selection. Cost approximately $30 plus cost of design time.

New Business
Howard, Office Manager, was present and asked to share about any concerns he has. Howard expressed his appreciation for the work carried out by IOC in past year as it has been helpful to office operations. Howard shared positive changes at office – new computer with Windows XP. Mailing in January to update meeting information resulted in improved database. Challenges of office as relates to systems and maintaining updated information were discussed.

Discussed ways for groups to become more conscience of group numbers, which are important for treasury allocation and accurate reporting of group contributions. Group numbers will be available on website list.

Howard asked if it would be helpful to have more FAQ’s. Suggested that Office Manager and Assistant revisit the current list and expand it based on their experience.

Inquired as to frequency of requests in other languages and how those handled. Howard reported that most requests are for Spanish and people directed to Spanish on-line group. No other resources available.

Motion passed: Jeffrey to Chair Re-listing Subcommittee
Motion passed: Brandi and Mitch to Co-chair Operations Manual Subcommittee
Thursday Evening Session

Re-listing Motion
Jeffrey read motion previously developed for annual GSO meeting list renewal. Discussion occurred whether to include Intergroups & GSR Area groups in motion to be presented. Jan & Alan, Board Liaisons, participated in discussion as did Carla, Board Chair. Decided to include Intergroups, not GSR Area Groups. Motion discussed and friendly amendments made, resulting in following motion to be submitted to convocation.

Motion for Convocation: The Internal Operations Committee moves that DA Meetings and Intergroups renew their listing annually for inclusion in the DA International Directory.

Jan pointed out that when a motion passes, it is up to the Board when & how to implement. Agreed to develop a flyer and distribute to conference in advance of convocation that identifies motion & reasons to support it. Language developed.

Registration Form
Howard agreed to take the existing form to review and suggested having the form simplified but also used as the only method for updating information. Possibility of pop-ups when field omitted and method to distinguish DA & BDA meetings. Alan made note of these suggestions for website development consideration.

Treasury
Dennis reported that an expense incurred in 2005 (purchase of a phone card) will need to be reimbursed from this years funds.

Motion: The phone card expense of $16.00 incurred in prior fiscal year be paid from this year’s funds.

Motion: The Treasurer can pay expenses up to $25.00 without Committee approval.

LITERATURE COMMITTEE MINUTES

The outgoing DA General Service Board (GSB) Liaison to the Literature Committee, Cookie, reported that during the past year it has become apparent that there is an urgent need expressed by the fellowship for a DA 12 x 12. The Literature Committee has had a subcommittee of over 40 past and present members working on this project for the past 15 years (with the exception of 1998 – 2001 when they were charged with creating the Twelve Steps pamphlet) and the GSB has concluded that using volunteers will not produce the book in the foreseeable future. The recommendation was made by the GSB to hire a professional writer and turn the project over to the Literature Services Board (LSB) of the GSB in keeping with the literature approval process that was voted on and accepted at the Convocation of the 2004 WSC. However, the decision to turn the project over to the Literature Services Board would ultimately be made by the Literature Committee. Cookie reported that if the Literature Committee decided to keep the 12x12 project, the GSB would move forward on a new “How DA Works” book and assign that project to the LSB. Cookie expressed her gratitude and the gratitude of the GSB to the many writers who have worked on the 12x12 project over the years.

Concerns were raised by members of the 12x12 Subcommittee that emails to the LSB were not answered and feedback was not received for drafts that had been submitted. The GSB liaison replied that the GSB was disappointed in the drafts and struggled with trying to come up with a diplomatic response, and they got stuck. She took full responsibility for the way the situation was handled by the GSB and made an amends to the 12x12 subcommittee.

The incoming GSB Liaison to the Literature Committee, Jan J., spent some time clarifying the new literature approval process. The Literature Committee will no longer write material. It will instead generate or develop and approve concepts and outlines for new pieces of literature to be sent to the Literature Services Board to be written by an Appointed Committee Member (ACM) and/or a contract writer. The Literature Committee will then receive drafts back from the Literature Services Board to review content and change and/or edit as needed. The Literature Committee will have the final say as to whether or not a piece
of literature is brought before the Convocation of a World Service Conference.

DA members who want to work on writing literature may apply to be a contract writer or to be an ACM. GSRs or ISRs would be required to relinquish all other DA service responsibilities in order to be an ACM, but that would not be required to be a contract writer. An ACM could be assigned a variety of projects to work on by the GSB, while a contract writer could apply to work on a specific project. Either position requires DA membership. The GSB has the authority to accept or reject applicants for either position.

It became immediately clear during the opening session of the Literature Committee that this is a year of transition. Part of the responsibility of the Literature Committee at this 2006 WSC was to discuss and clarify the Literature Committee’s new role in the approval process and specifically to decide how to handle literature that was already in process before the new procedure was implemented. A decision needed to be made whether pending drafts of literature would stay in the Literature Committee and its Subcommittees of writers groups or be sent on to the LSB, and whether consequently the Subcommittees would be disbanded. It was clarified that all new pieces of literature, or ideas for literature need to come through the Literature Committee before being sent to the LSB, ie no other WSC committee can submit literature directly to the LSB. There were expressions of frustration with the lack of clarity about the process and how the change in the approval process would impact items in the pipeline.

SUBCOMMITTEE REPORTS & RELATED MOTIONS

Spanish Translation Subcommittee
Audrey offered to the Committee a Spanish translation of The Currency of Hope by Mario from Argentina. The Committee decided via group conscience to submit the disc to the LSB once it is received from Audrey.

Motion: To bring a motion to the Convocation to allocate funds to pay for Spanish translation of all DA literature. Yes – 12/no – 1. Motion carries.

Motion: To disband the Spanish translations subcommittee. Yes – 0/no – 10/abstention – 4. Motion fails.

Time Issues Subcommittee
A pamphlet draft has been submitted to the LSB. No feedback has been received. Several committee members expressed an interest in working on this topic.

Motion: To disband the Time Issues Subcommittee. Yes – 1/no – 12/ abstention – 1. Motion fails.

Daily Meditation Book Subcommittee
324 submissions to date – many on spiritual principles and tools, but light on steps and traditions. Not all were keepers but some could be combined. Request that each GSR go back to home meeting and have a meditation writing party. We can piggyback flyers to groups in mailings of DA Focus and post on website and in Ways and Means. Meditations can be submitted without quotes or reflections, and will be edited by subcommittee. A strong reason for keeping the Meditation book in Subcommission and not turning it over to the LSB is to include the variety of many DA members experience so that this project is a creation of the fellowship as a whole, and not a creation of a single writer (as it might be in the LSB).

Motion: For the Daily Meditation Book to remain in the Literature Committee. Yes – 14/no – 0/ abstention – 0. Motion carries.

Glossary Subcommittee
Submitted first draft to the LSB. No feedback received as yet.

Motion: To disband the Glossary Subcommittee. Yes – 14/no – 0/ abstention - 0. Motion carries.

PRG Guide Pamphlet Subcommittee
Original idea was to create a separate pamphlet to demystify the process of giving PRGs, and to provide “how to” tips and strategies as a way of helping DA members feel more confident. On further reflection and discussion, it was decided that revising the existing PRG pamphlet would be more productive and would better serve the fellowship. Several members expressed an interest in compiling related existing materials to forward to the LSB.
Motion: To disband PRG Guide Subcommittee. 
Yes – 13/No – 1/abstention – 1

Just For Today Bookmark Subcommittee
Motion: To recommend to the WSC to approve the “Just For This Day” bookmark. 
Yes – 11/no – 1/abstention – 1. Motion carries.

Work was completed and subcommittee was disbanded by acclamation.

Relationships, Money and Debt Subcommittee
Several drafts have been worked on by various writers groups in the Committee. LSB rejected the most draft with concerns that it may not be a viable pamphlet for DA. The LSB revised it and has informed the Lit Com that it will be returning a revision for the Committee’s review.

Motion: To disband the Relationships, Money and Debt Subcommittee. Yes – 14/No – 0/Abstention – 1. Motion carries.

Non conference approved literature (CAL) Subcommittee
Subcommittee was disbanded by acclamation.

Revisions subcommittee
Subcommittee was disbanded by acclamation.

12x12 Subcommittee
Subcommittee has expenses that need to be reimbursed.

Motion: To disband the 12x12 Subcommittee.
Discussion (on whether to keep the 12x12 project in Lit Com or send it to LSB):
- Sending the project to the LSB is a sign of unity within the WSC and trusting the process.
- Mindful of responding to a sense of urgency in the fellowship (sign of debting mentality) rather than taking our time to do it right. Best quality better than fastest.
- One option might be to keep it in Lit Com now and send it to LSB after completion of first draft.
- Concern that sending it to LSB will not speed up the process, rather might slow it down.
- GSB reported $15,000 in reserve to pay a contract writer. Concern that this is not enough.
- Frustration about lack of feedback or response from the LSB when drafts were submitted.

Motion: To recommend to the GSB that the writer for the 12x12 build on existing manuscripts and blueprint, and use it to the extent possible for the benefit of the fellowship. Yes – 10/no – 4/abstention – 1. Motion carries.

NEW BUSINESS

BDA Committee submitted 3 documents for consideration.

Motion: To recommend to the WSC to approve the concept and outline of the “Suggested BDA Meeting Format” as developed by the BDA Committee. Yes – 13/no – 1/ abstention – 0. Motion carries.

Motion: To recommend to the WSC to approve the concept and outline of the “BDA Business Plan” pamphlet as developed by the BDA Committee. Motion carries.

Motion: To recommend to the WSC to approve the concept and outline of the “BDA Numbers” pamphlet as developed by the BDA Committee. Yes – 13/no -0/ abstention – 1. Motion carries.

ISSUES & CONCERNS SUBMITTED BY DA GROUPS TO THE WSC:

The Lit Com received 38 issues. The committee decided by group conscience that we would determine priority by tallying high, medium or low votes on each item. Items already in process were not considered. The following 10 issues received high priority:

1. Newcomers pamphlet
2. Revise all publications to include “international” rather than “national”.
3. Beginner’s meeting format.
4. Gender neutral spirituality in DA literature.
5. Official DA step guide or workbook.
7. Retirement planning.
8. Teens pamphlet.
9. Publish a business meeting format online.
MOTION:

PUBLIC INFORMATION COMMITTEE
Chairperson: Peter K., Woodstock, NY
Vice Chairperson: Richard H., Burbank, CA
Secretary: Michael M., Brea, CA
Treasurer: Eileen M., Fairfield, CT

The Public Information Committee will not be submitting any motions to the Convocation at this World Service Conference.

The Public Information Committee will not be submitting any recommendations to the World Service Board at this World Service Conference.

In keeping with the General Service Board’s request that we refocus all efforts of the Conference on our primary purpose, carrying the message of DA, not incurring unsecured debt, one day at a time, the Public Information Committee undertook the following actions:

1. Developed a list of suggestions for reaching out to and supporting Debtors in isolated meetings/areas. Some of those suggestion follow:
   - Encourage the use of on line and telephone meeting where strong face to face meetings are not available
   - Encourage strong meetings to function as “sister meetings” to offer support to new or struggling meetings and develop suggestions for such a relationship
   - Define the needs of small or weak meetings and develop specific responses to these needs
   - Increase awareness of available literature
   - Connect people with human (adopt-a-loner) resources
   - Support existing meetings in their outreach efforts through the use of the Carry the Message network
   - Encourage the use of Meeting Inventories
   - Suggest that struggling meetings consider possible changes in their meeting formats (in most cases a return to the tried and true formats discussed in the DA literature)
   - Encourage use of the DA pamphlets as topics of discussion
• Encourage members of established groups to speak at isolated or struggling meetings
• In areas where it is not practical for an outside speaker to visit a meeting in person suggest the use of a speaker phone to bring the speaker’s strength, hope and wisdom to the meeting
• Consider teleconferencing a meeting to a remote meeting
• Utilize tapes and CDs at remote meetings
• Establish contact with strong meetings

These ideas and suggestions will be worked into a pamphlet which, once it has gone through the literature process will be available to the fellowship.

2. We developed a draft of a media contact questionnaire and an accompanying cover letter. These drafts were submitted for World Service Board approval during the Service Conference. The WSB recommended changes in content and procedure which the Public Information Committee will implement. The concerns of the Board will be addressed and the documents amended and resubmitted for approval.

3. Developed an Action Plan for carrying on the work of the Public Information Committee throughout the upcoming year. These actions include:
• Continuing the work of the Carry the Message Network during monthly conference calls scheduled on the last Sunday night of each month. Currently there are approximately fifty Public Information Representatives across the US and Canada. Our goal is to recruit another fifty by the next World Service Conference.
• Continue to develop and expand upon ways to expedite and facilitate our contacts with all forms of media.
• Continue to support the work of the new Diversity Subcommittee.

4. Develop literature addressing the issue of how to speak to non-debtors and communicate with professionals.

The above Action Plan will be accomplished during the course of monthly conference calls scheduled for the third Monday of each month, email correspondence and a Public Information Committee Yahoo group.

RESOURCE DEVELOPMENT COMMITTEE

Chairperson: Bill B.
Vice Chairperson: Brad B.
Secretary: Jane L.
Treasurer: Barbara B.

Members: Lindi D., Mary D., Shawn C., Thomas L. GSB Liaison: Deborah

Motions: None.

Recommendations
1. That the General Service Board establish a separate, autonomous, fund to manage bequests from the estates or trusts of deceased members.
2. That the GSB InfoTech Subcommittee allocate a prime right-hand block of space on the DA home page for 7th Tradition awareness information from the Resource Development Committee.
3. That information about on-line bill paying or bank-site automatic withdrawals to DA be made available to interested members. The RDC requests that this information be added to the list of “Frequently Asked Questions” provided to the staff at the General Service Office, as well as be added to the 7th Tradition page on the website.
4. That the GSB approve the issuing of the following five letters to the fellowship with DA Focus mailings throughout the year. The RDC will prepare articles for the DA Focus related to the mailings. The RDC will explore resources to translate the letters/mailings into Spanish. The mailings are:
• John Henderson Memorial Scholarship Fund
• Birthday or anniversary celebrations for DA groups and members
• World Service Month
• Seventh Promise Month
• Seventh Tradition Month
5. That the Resource Development Committee continue to develop the Treasurer Service Manual that was begun last year. The goal is to complete this project by the 2007 WSC.
6. That the General Service Board approve an “Events Service Resource” created by the RDC that is similar to Item GSB-3 “Conference Approved Literature” that includes:
• Suggestions on how to have a successful fundraising event such as a step-study
workshop, visions workshop, silent auction, or Fellowship Day.

- Methods to reach out to newcomers, create fellowship and strengthen membership.

7. That the GSB approve a worldwide fundraising event to celebrate DA recovery around the world. The Resource Development Committee will present an event plan to the GSB for approval.

Minutes

The Resource Development Committee discussed business carried over from last year’s WSC, the five new issues presented to the committee from the DA groups, and new business items related to the committee’s focus. The results of these discussions are represented in the seven recommendations and the issues tracking table at the end of these minutes.

During the 2006 WSC, the committee developed action plans for each project (see recommendations above) for work by the committee as a whole during the coming year. Each project will be guided by the following trusted servants:

1. Jane – Online bill pay
2. Barbara and Brad – Prosperity Appeal mailings for DA Focus
4. Brad and Bill – Events Service Resources
5. Brad – Worldwide Event

Spending Plan:
1. $600.00, Prosperity Appeal and World Service Month mailings in the DA Focus.
2. $60.00, Event Service Resource printing.
3. $70.00, Copying of Treasurer’s Manual.
Total = $730.00

Copies of the current draft of “How to Start an IG” distributed. GSB is in lit development Process.

IG Caucus plans to continue work with a monthly conference call. Third Wednesday of each month, at 9pm EST. The call will last 1 hour, agenda planned by Chair with input from group. First call will be 9/20/06. Beth S. will make arrangements through freeconference.com and send a reminder email to the committee ahead of time. Tracey S. is very familiar with how to set up and conduct these calls.

Tracey S. volunteered to be the IG support contact person for new and existing IGs needing support. Her contact info will be published in “Ways and Means”, along with a summary of the IG caucus efforts and an invitation for IGs to utilize her ESH. She will request help with this task from other members of the caucus, if needed.

Jean C. – Motion to recommend that DA develop a pamphlet on Service Mentoring. PASSED

8/18/06

Willie W (Chair), Beth S., Susan T., Mark L., Stephanie A., Rick F., Jan S.

IG Caucus has 2 recommendations for WSC
1. Recommendation that GSB create an IG specific registration form.
2. Recommendation that DA develop a pamphlet on Service Mentoring.

Rick F. Representing meetings in Fairfield, CT (suburban NYC) and Long Island
- Many meetings in the area, but they are very insular, no real understanding of working together for the common good.
- Who will do all the work of creating an IG? I don’t want to do it alone.
- Where do I start?
- Area mtgs do prg events and vision fairs occasionally.
Feedback for Rick:
- Share your vision and how an IG can serve area mtgs and carry the message.
- Ask for help in starting IG.
- Use bylaws of strong IGs to help start.
- Participate in the monthly IG Caucus call for ongoing support.
- Utilize the ESH of Tracey S., the new IG support contact.

*****For reimbursement of out of pocket expenses approved by the IG caucus chair, incurred while doing IG caucus business, you must submit a legible, itemized receipt to the treasurer, Beth S., within 30 days of your expense. Phone cards to cover caucus calls are an approved expense.*****

We are looking for people to write articles for “Ways and Means” on IG related topics.
Some of our ideas include:
- What’s working well for your IG?
- Are you ready for an IG?
- What is an IG?
- How does being a GSR benefit my personal recovery?
- How would your group benefit from being part of an IG?

The Monthly IG conference call time had been changed! We will have the call on the 3rd Wed of each month at 9:30 PM ET, instead of 9:00. Beth S. will arrange the call and send out a reminder email. Willie will create the agenda for the call.

**TECHNOLOGY CAUCUS MINUTES**

Chairperson: Jon L.  
Vice Chairperson: Jennifer D.  
Secretary: Julie F.  
Treasurer: Bill B.

Our caucus continues its commitment to be a resource for all committees and the fellowship as a whole:

The technology caucus is composed of GSRs, ISRs and Trustees who have experience with and/or an interest in the utilization and implementation of technology. Our mission is to facilitate DA fellowship communications, as outreach to the debtor who still suffers, and to develop resources that enable DA as an organization to leverage the power of technology. In addition, upon request, this Caucus will act as a resource to the Committees of the World Service Conference, the General Service Office, and the General Service Board, to recommend, and when possible, to implement fellowship-enhancing technologies. These technologies encompass, but are not limited to, website design/architecture, e-mail list services, telephone systems, conference calls, and database software.

**Technology Caucus Recommendations**

5. The GSB bring the searchable meeting list/database online as soon as possible, so that it becomes the single point of entry for meeting list data. We note that appropriate disclaimers need to be added to the website’s database results pages; and that there is contract work needed to expand the searchable meeting list.
database so that it includes all of the
information requested in the latest “Meeting
Registration and Change” form. The IOC and
the InfoTech Subcommittee of the Board create
a clear procedure and process for re-listing
meetings and for adding or updating them in
the new meeting list database and to have them
proofed for accuracy.

6. We strongly recommend that the GSB hire a
professional web production person.

7. The DA E-News (email announcement
bulletin) subscription form be added to the
website as soon as possible, at least on the
home page, and hopefully on every page.

Robert Perry of the Conference Committee
discussed his motion for a file sharing pilot
program and the Tech Caucus agreed to collaborate
with the Conference Committee on the
implementation, if approved at Convocation.

In response to the Board Liaison, the Tech Caucus
will recommend appropriate methods to ensure
database backup for the searchable meeting
list/database and the DA website.

The Tech Caucus confirmed that the new web
hosting account will be legally registered to DA
SECTION 6
2006 ISSUES AND CONCERNS

DA groups, Intergroups, and individual members sent the following items to the 2006 World Service Conference (WSC) to be considered by the WSC Committees, the General Service Office, and the General Service Board. Each item begins with the committee or DA entity to which it was assigned.

1. **BDA**: We get newcomers who ask about business owners who want to take a loan to start or grow a business, for example buy into a franchise or real estate investment where they don't have the start up capital. Is there a way to take a bank or investor loan the DA way and retain solvency (other than a 2nd mortgage or re-finance using a home as collateral)?
2. **BDA**: Request more info/focus on BDA issues
3. **BDA**: Approve the personal Numbers booklet and create a business numbers booklet with appropriate business categories.
4. **BDA**: BDA-specific CDs of BDA speaker panels.
5. **Conference Committee**: Our group needs guidance on allowing--or expecting--the GSR to make up the difference in funding for the trip to WSC. Should the group try to reimburse the GSR, or is that debting? Is there a concern about a GSR in this situation having too much of a personal stake or agenda, rather than a perspective of representing the group's conscience?
6. **Conference Committee**: On Fellowship Day, have a workshop to share group ESH on best practices for treasurers, service people, and group issues like crosstalk, how to get the GSR to come back to the meeting, how to keep newcomers, how to open a checking account, what to do if the group debts, etc.
7. **Conference Committee**: For the next host committee, could you please add another column on the agenda/calendar page for us to write in the appointments we make during the WSC. It's hard to keep track of where I'm supposed to be at what time with what subcommittee because there's no place to write it down.
8. **Conference Committee**: That we want DA give 120 Days official advance notice of proposed amendment changes rather than the proposed 90 Days.
9. **Conference Committee**: How can we make the conference more affordable? We are a group of 3-4 members. It is costing over $2,000 for us to come this year. We would each have to donate about $11/week for a year just to come...that does not include donations for our rent, literature, etc. We have been saving for 4 and 1/2 years and had $820 so far.
10. **Conference Committee**: Re: the JH Scholarship fund. It is costing over $2,000 for us to come this year. We would each have to donate about $11/week for a year just to come...that does not include donations for our rent, literature, etc. We have been saving for 4 and 1/2 years and had $820 so far.
11. **Conference Committee**: Notify all scholarship applicants whether funds are available or not, and say thank you for applying.
12. **Conference Committee**: Holding the WSC in a hotel is nice but expensive, and results in smaller groups or individuals not being able to attend.
13. **Conference Committee**: Because next year's Host Com chair is expected to attend the WSC, financial support should be provided for them to attend.
14. **Conference Committee**: The principle of rotation should apply to all GSRs and ISRs at the WSC. Delegates should be limited to two 3-year terms and limited to a maximum of 3 years on any one committee.
15. **Conference Committee**: Changes to the DA Charter should only be permitted during a one-year "window" every 5 years. This would allow the WSC to focus on real DA business not just frivolous proposals.
16. **Conference Committee**: Investigate possibility of having virtual GSR service via teleconferencing or web-based service, so small groups would have a voice and a vote at WSC.
17. **Conference Committee**: Regionalization of method to select Trustees, and more important, to encourage more service and growth of DA members at regional, Intergroup, group, and personal level. The Conference Committee's proposal should be given careful consideration when it is presented to the WSC.
18. **Conference Committee**: Please try to keep the cost of the WSC to under $1200. This one will cost us $1500 including airfare.
19. **Conference Committee**: Reduce conference fees for international delegates.
20. **Conference Committee**: Scholarship application must be received no less than 90 days prior to early registration deadline to allow adequate time for clubs to apply.
21. **Conference Committee/GSB**: That we want the WC Registration Packets by March 1 of each year. This gives us more time to plan the money we need to attend the WC. As it stands: The packet coming in late May, just too short of a time for small groups to gather the money. It creates too much of a crunch for small groups to come up with the large amounts of money for the expenses. If you want small groups to attend, we need more time re: Registration Packets.
22. **Conference Committee/GSB**: Please move to an online, totally electronic registration system for the world service conference which allows for electronic payment, online using paypal. Rationale - less data-base entry since registrants enter their own data. Separate data fields go to separate sub committees - Henderson to scholarship people, Registration to registrar, Rooming to the room coordinator, food to the person dealing with menus, etc.
23. **FCC**: In regards to the above 3 issues (race, class, disabilities in DA), more articles in newsletters, PR, specific workshops at conference.
24. **FCC**: Please issue an announcement to groups to adopt the new Tools, as per Tradition 1.
25. FCC: Keep a speakers list and temporary sponsor list.
26. FCC: Have a hotline for newcomers to call and talk to a real live recovering debtor.
27. GSB: Can we please define "debt" and "not debt included. How do we use the words "abstinence" and "solvency" in light of the east coast/west coast split? What does the word "recovery" mean in DA? I think this is too important for just the Literature Committee to decide.
28. GSB: Make past issues of the DA Focus available online so we can go back and look up stuff.
29. GSB: If a person hasn't incurred any new debt by charging or bouncing checks, but continues to accrue finance charges and interest every month on existing debt, is that considered "new debt"? Is it debting? "Debting." How do we use the words "abstinence" and "solvency" in light of the east coast/west coast split? Is it debting? How do we use the words "abstinence" and "solvency" in light of the east coast/west coast split?
30. GSB: We need guidance on using the DA name when we have local fundraising events. When is it ok to use the DA name to identify ourselves?
31. GSB: Publish a spending plan format online.
32. GSB: Our Business Meeting voted: 64.9% That DA literature be made available online to download free of charge.
33. GSB: That we want our DA Office to accept electronic payments for literature and donations.
34. GSB: That the Public Information Committee of Debtors Anonymous:
a) create and maintain an up-to-date list of all DA Intergroups and their contact information, and
b) contact (by e-mail, phone, or letter) each DA intergroup at least twice each year to exchange information about requests/contacts from local and national media, helping professionals, and all others."
35. GSB: As debtors we need clarity about all aspects of money, and as debtors we resist and rebel against anything that feels restrictive of our "freedom" or feels like an authority telling us what to do. We also tend to avoid dealing with some issues because they are too controversial or difficult. Consequently, we have no formal consensus or clear definition of what constitutes incurring unsecured debt. Both individual DAs and; groups in NJ and PA are asking for this clarity. As a practical matter, we need to have agreement; because many of our service positions require 90 days or more of not incurring unsecured debt and we need to have confidence in our trusted servants. Also, the lack of a definition is confusing for newcomers. One example is that many don't realize that paying bills late is debting. I myself didn't hear that for the first time until I had been in the program for at least 1 year. One long-timer doesn't accept late bill paying as debting because it isn't written in a pamphlet anywhere, and he regularly gives PRGs. In NJ/PA intergroup and as part of a group inventory in my home meeting, we are in the process of discussing this issue and I'd like to share the "suggested guidelines" we have come up with so far. We have positioned these first as positive actions we take to be solvent, rather than negative actions we take to debt. We are asking for guidance and feedback from the World Service level. We are solvent today if: 1. We use cash, debit cards or checks to pay for all our transactions. We do not use credit cards. 2. We only write checks when we have funds available at the time of writing. We do not bounce or float checks. 3. We pay for goods and services when we receive them, for example a doctor visit. 4. We only borrow funds when we secure the loan with collateral such as a house or other asset. 5. We consistently pay our bills by the due date. The actions listed above are based on a list that was passed around at the New York World Service Conference in 2002. It was widely circulated among GSRs and ISRs at the conference, and a consensus developed that it is an excellent way to define solvency. It was felt that it covers 99.9 % of situations in which solvency might need defining. This is the list that was circulated: You can be considered solvent if: You have not used a credit card today; You have not bounced a check today; You have not borrowed anything without collateral today; You have not used any goods or services without paying for them today; and You have not paid a bill late today. Here is a comment from a GSR in a small PA meeting: Wanted to share with you the responses from my group about the solvency suggestions you circulated. So many people were beating themselves up with their own ideas about solvency, we felt such relief when we read the list. It was awesom. So many didn't volunteer for service because they felt they had to be perfect in record keeping, having PRGs, etc and didn't meet DA solvency guidelines. Some also have questions about losing solvency: For the purpose of service positions, is there a difference between a slip and full relapse? For example, does one lose solvency by paying a bill one day late? Some members who are also in the OA fellowship have mentioned that in OA there is a distinction between slip and abstinence. What about the very widespread practice of waiving solvency requirements just to get service positions filled? Of course, we know that groups are autonomous etc, but it would be great to have guidance. So, thanks for considering this topic. May we have the courage to boldly, compassionately and gently move through this! See you next month! "
36. GSB: Make the Steps and Traditions gender neutral instead of "He", "Him"
37. GSB: The DA office accept electronic payments for literature and donation. (Example: PayPal)
38. GSB: Please have the let the conference hear from you form be an electronic form available online throughout the year.
39. GSB: How do we get more people excited about service? I have been doing almost everything for this group for 4 and 1/2 years and am ready to quit! I have asked for help from the group over 2 years ago, they said they would help and then don't. I have no more trust of these members and am not willing to do it all anymore.
40. GSB: Make the 12 Steps gender neutral.
41. GSB: Make the 12 Steps gender neutral.
42. GSB: Define Solvency. Our literature refers often to solvency but never defines it.
43. GSB: How do we get more people excited about service?
44. GSB: How do we retain "old timers"? Can we somehow study who and why members “drop out”?
45. GSB: It is suggested that a system to be put in place where DA literature, such as Currency of Hope, can be borrowed and returned, like a library book.
46. GSB: It is suggested that Jerrold Mundis book, "How to Get out of Debt, Stay out of Debt and Live
Properly be added to DA’s list of approved literature.

47. GSB: In the new Numbers One Approach booklet include a section above the expenses for earning and income.

48. GSB: the WSC agenda is very ambitious, and longer than it used to be to allow for more free time, yet it doesn’t seem like additional free time is available; are we time debtin?

49. GSB: I would like to put DA literature on I-Pod format; very convenient for people.

50. GSB: Please use Paypal for electronic payment of literature.

51. GSB: Put the basic DA pamphlet online—it’s the closest thing we have to the Big Book.

52. GSB: Put all pamphlets in one publication or sell a binder to put them in.

53. GSB: Put all pamphlets on tape and CD.

54. GSB: Please have database of all open meetings online, updatable by the GSR.

55. GSB: Literature is expensive when sent abroad. Is there a way to address this?

56. GSB: How should recovering debtors reestablish credit effectively? How to build a good FICO score; what is the program’s strategy?

57. GSB: Jerry Mundis book should be conference approved.

58. GSB: A book that consolidates all the pamphlets as a Big Book?

59. GSB: Define solvency more clearly. What about late library books or late bills?

60. GSB: Establish training programs in non-profit organizational management for Trustees. Require all new board members to attend such training during their first year on the Board.

61. GSB: Use a professional mediator to help resolve serious issues that divide the fellowship from the Board. Just as the parliamentarian has made a huge difference to the WSC, a mediator could do the same for Board-fellowship critical issues.

62. GSB: Use coaches, experienced in non-profits and 12 Step recovery, to help Board members encourage their own growth as leaders.

63. GSB: Have the Board take annual leadership training courses based on Kouzes & Posner Five Practices of Leadership—the Leadership Challenge. A DA member Robert P. is certified provide the course, and is willing to donate his services.

64. GSB: The Board Treasurer and GSO should set up and offer the ability for DA members to do automatic donations to DA with auto withdrawals from their bank accounts. Many prosperous members would enjoy the GSB donation. courses based on Kouzes & Posner Five Practices of Leadership—the Leadership Challenge. A DA member Robert P. is certified provide the course, and is willing to donate his services.

65. GSB: Establish a non-profit foundation separate from the current Board of Trustess, as AA already has done to reduce and manage one-time bequests from estates of members who have prospered through DA after, and only after, they have died. I believe that as the spirit of a DA member continues to prosper with his/her higher power after death, their earthly resources can continue to help prosper the fellowship. The foundation made of debtors trustees, DA members, and non-debtors trustees would invest the bequests as a prudent reserve for the fellowship and give to the Board only the annual interest accrued by the principle. This would establish a perpetual and solid prudent reserve that would help the fellowship carry the message through good and bad times.

66. GSB: Transparency of Board decisionmaking processes and results. Accountability of Trustees to the fellowship for their actions and of the Board for its performance.

67. GSB: defining solvency across the entire country, not one version for East coast, and one for West.

68. GSB: add the Word postal code to zip code indications.

69. GSB: Please have the GSO offer banners of the Steps and Traditions for sale. We currently modify AA banners by hand, but we want real DA banners.

70. Intergroup Caucus: What if there was an Intergroup newsletter, sort of like the DA Focus, accessible from the DA website, that could talk about regional issues and group issues? Our Intergroup has issues that I’m sure other Intergroups have dealt with, maybe if we had a method to share our ESH it would help everyone.

71. Intergroup Caucus: the Intergroup Caucus of Debtors Anonymous contact (by e-mail, phone, or letter) each intergroup at least twice each year to exchange information about caucus work and intergroup issues.

72. Intergroup Caucus: Is there an Intergroup or some way we can be more connected? We are alone in Fairbanks, Alaska.

73. Intergroup Caucus: We need help encouraging groups to participate in Intergroup meetings.

74. Literature/RDC: Publish some guidelines for group treasurers on the website: how to get a Tax ID #, how to open a group checking account, how to track group finances, how to give a report.

75. Literature: In order to make the steps more inclusive, and as alternative to changes in the charter & changes to the wording of the steps & traditions, we offer the following alternative: AT THE TOP OF EACH PAMPHLET OR PAGE WHERE WE PRINT THE STEPS, STATE: The steps of Debtors Anonymous are modeled after the original 12 Step recovery program, Alcoholics Anonymous (AA). The text of AA, published first in 1939 states “Here are steps we took which are suggested as a program of recovery;” AT THE END OF THE STEPS STATE: As an invitation to ALL, whom we openly welcome into DA, we offer these thoughts about a power greater than ourselves as quoted from “We Agnostics” pp 46-47 in the text of AA: “As soon as we admitted the possible existence of a Creative Intelligence, a Spirit of the Universe, underlying of the totality of things, we began to be possessed of a new sense of power and direction, provided we took other simple steps… To us, the Realm of Spirit is broad and roomy, all inclusive; never exclusive or forbidding to those who earnestly seek… When, therefore we speak to you of God, we mean your own conception of God. This applies too, to other spiritual expressions which you may find in this book. Do not let any prejudice you may have against spiritual terms deter you from honestly asking yourself what they mean to you.” In DA we honor BOTH the
historical wording of these steps while also honoring
our members’ liberty to choose wording meaningful to
each of us individually. ALTERNATIVE AT THE END
OF THE STEPS STATE: As an invitation to ALL,
whom we openly welcome into DA, we offer these
thoughts about wording as quoted from “How it
Works” p.63 in the text of AA: “The wording was of
course, quite optional so long as we expressed the idea,
voicing it without reservation.” In DA we honor BOTH
the historical wording of these steps while also
honoring our members’ liberty to choose wording
meaningful to each of us individually.
76. Literature: That we want an official DA Step Guide
and/or DA Workbook.
77. Literature: Are there any plans to write literature or
have discussions about retirement planning?
78. Literature: Publish a business meeting format online.
79. Literature: Create an assortment of pressure relief
meeting formats, and then put one or two of them
online for free.
80. Literature: We want an official DA Step Study/Tool
Workbook: We want the Steps integrated with the
financial tools. Many of us use the Southern Cal. Non-
Conference Step Study Guide. Perhaps this could be a
starting point? Incorporating using the 12 Steps of DA
Pamphlet?
81. Literature: Create literature dealing specifically with
race issues in DA.
82. Literature: Create literature dealing specifically with
economic class issues in DA.
83. Literature: Create literature dealing specifically with
disability issues in DA.
84. Literature: Literature on specific tools, with member
stories of ESH on working the tools.
85. Literature: Members have expressed interest in seeing
a DA “Day by Day” meditation book put out by DA.
86. Literature: We wish to submit this document “DA
Basics” (PDF) with supporting documents (Word and
Xls and PPT) and encourage the literature committee to
incorporate it’s contents in the development or
expansion of future literature items.
87. Literature: Change “spending plan” to Earning and
Spending Plan in all literature. Earning and spending
are equally important for recovery and prosperity.
88. Literature: Consider adding “Action Partners” as a
tool. In NY this is widely used, not well known.
89. Literature: How about a book of essays on the Tools,
written by DA members.
90. Literature: Now that abstinence is no longer a Tool,
how about a book on abstinence; essays from DA
longtimers.
91. Literature: More literature on a variety of DA topics:
visions, recovery from underearning, etc.
92. Literature: Create a singleness of purpose card to read
at meetings, similar to AA’s blue card to help us
observe the 5th Tradition.
94. Literature: For the literature committee: an alternative
to the movement to degenderize the Steps, a proposal to
add several quotes from the AA Big Book on a
spirituality that is “roomy and inclusive” and open to
interpretation by each member. Phase in with new
printing of each pamphlet or book, don’t throw out all
current lit.
95. Literature: Meditation book: take one year and have an
email subscription that would send any DA member a
different sample meditation each morning and each
evening. We could form an online newsgroup where
members could give feedback on the meditations.
96. Literature: Restore “abstinence” to the Tools.
97. Literature: gather and publish an anthology of writings
of John H our founder, like As Bill Sees It.
98. Literature: Format for beginner’s meeting.
99. Literature: Recommend that the GSB and the
Literature Committee develop a new process for
literature approval. The current process does not allow
the WSC to see or comment on literature that has been
developed. Establish a Literature Development Board to
review suggestions for new lit, bring recommendations,
develop literature, obtain pre-publishing copyrights,
and general outline of proposed new lit has been
approved. Include a new Approval disclaimer. Review
process in 2 years. Delegates to WSC outside the GSB
and Lit Com should be part of the process.
100. Literature: Workbook/guide on how to work the Steps
in DA.
101. Literature: Gender-neutral spirituality in DA literature.
102. Literature: Pamphlet on couples--how to handle
finances when married/partnered re: bank accounts,
lending each other money, etc.
103. Literature: Daily reader for DA with meditations for
each day of the year.
104. Literature: Pamphlet outlining how ADD can
contribute to DA. See attached list of ADD traits.
105. Literature: Review all documents to include
international references rather than “national.”
106. Literature: It is very hard to find a sponsor; sponsors
only seem to take one sponsee, but often PR people take
on 4 or 5 pressure.
107. Non-issue: Our group approves the 90-day Charter
amendment motion.
108. Non-issue: Maybe the “time debtors” could do a
“separate but related” spin off like BDA did. Or maybe
they should start their own program like Underearners
Anonymous did. I think it’s confusing to newcomers to
hear about time debting. Ditto self-debting.
109. Non-issue: Issues with debting and clutter seem to run
hand and hand with some members in the DA
fellowship. One member states, “I have many cluttered
financial records that can’t be understood clearly. There
is a mixture of financial clutter and general clutter,
which becomes expensive due to constantly having to
duplicate things.” Since the two issues of clutter and
compulsive debting/spending seem to be common, it is
suggested that there be workshops and/or literature that
can effectively address both issues.
110. Public Information: How to reach out to the debtor
who still suffers in isolated areas
111. Public Information: How do we do outreach without
promoting?
112. RDC: I am concerned about getting a tax I.D. number
just to have a group checking account. I never had to
do that before. Does that mean we have to file tax
forms with the IRS? I am burned out on paperwork. Is
there another way?
113. **RDC**: What are appropriate fundraisers for DA meetings (for example to raise funds to send a GSR to WSC)? Are garage sales, etc. acceptable in keeping with Traditions.

114. **RDC**: put together guidelines for DA groups to raise GSR funds.

115. **RDC**: Recommend that DA members may be able to leave bequests via a will or trust to DA up to $10,000, and that the GSB will establish a DA Foundation with the sole purpose of administering monies in this fund. Have the RDC establish policies and procedures for this to occur.

116. **Technology Caucus**: Get a private password-protected online web service where previews of upcoming literature could be published for interested members to reflect and offer feedback.

117. **Technology Caucus**: Make the DA website home page less cluttered, and more exclusively oriented to the still suffering debtor. Have links to other info aimed at current Das or GSRs but don't busy up the page with newcomer and member/GSR stuff all on one page.
