The GSB Literature and Publications Committee is proud to announce a new comprehensive D.A. Story Submission Form to submit member stories to all our current literature projects.

These projects include:

- **D.A. Basic Text**
- **Voices in D.A. Recovery:**
 - **Black Voices**
 - **Business Owners**
 - **Couples and Relationships**
 - **Gender Identity**
 - **Health Issues**
 - **Relapse Experiences**
 - **Retirement**
 - **Unhoused Experiences**
 - **Young People**

The D.A. Basic Text

Our hope is that the recovery stories for our Basic Text will reflect a rich variety and range of recovery experiences in Debtors Anonymous. Submitters will need to identify as “compulsive debtors” or “debtors” in order to be consistent with D.A.'s primary purpose, which is to “not incur unsecured debt.”

Voices in D.A. Recovery

The Voices series seeks recovery stories by D.A. members to reflect a diversity of paths towards a serene and solvent recovery across a wide spectrum of debting issues.

This comprehensive submission form allows for a more structured yet simple way for members to submit their recovery stories and the required Assignment of Rights form.
