Our mission ~ Tradition 5 – to carry the message to the debtor who still suffers

Join our fellowship-wide call to hear how a group of debtors have brought the message to people in Hospitals, Institutions and Prisons.

This will be a one-hour call, with four speakers from the HIP committee sharing their experience, strength and hope. There will be time for questions and/or shares after the speakers.

Debting is at the root of many of life's problems. Many members have added great joy and depth to their own program by working with debtors who do not have the opportunity to attend regular meetings because they are confined within Hospitals, Institutions and Prisons.

We hope you can join us.
