

GUIDELINES for MEMBER SAFETY

The GSB Literature and Publications Committee (LitPub) and the WSC Underserved and Under-represented Outreach Committee (UUOC) are pleased to announce revised Guidelines for Member Safety.

This service literature was developed for meetings to focus on member safety in order to make available the spiritual solution of Debtors Anonymous to anyone anywhere who has the desire to stop incurring unsecured debt. This update highlights the safety of BIPOC (Black, Indigenous and People of Color) members.

As stated in Tradition 4, each meeting is fully autonomous. *We encourage all members to consider these safety guidelines in order to facilitate meetings that are safe and healthy for all.*
