**Saturday, April 24, 2021 IS D.A.'S 2<sup>nd</sup> Annual INTERNATIONAL PROMISE 6 DAY**  
**"Isolation will give way to fellowship; faith will replace fear."**

Please plan to join us for our second annual Promise 6 Day Celebration.  
It's as simple as reaching out to one other fellow.  
Take the initiative to connect with another person(s) in program on this day.

All members can connect to activities planned by the Fellowship Communications Committee (FCC) as well as various other D.A. group events.  
Make your plans to join in on the **FUN!**

Please submit how your group is planning to celebrate by sending an email with the details to: [communications@debtorsanonymous.org](mailto:communications@debtorsanonymous.org)

**See the List of Current Events on the D.A. web site under Announcements.**

Meetings and Intergroups are also encouraged to come up with group fellowship activities for members to break out of isolation and celebrate connection in observance of our Sixth Promise. Host a teleconference sing-a-long, meet up for a multiplayer online game, have a video conference fashion and talent show. Now is the right time to make time to connect to help us break out of isolation.
